Tryons Will Close Out Retail Business

Mr. and Mrs. Presley D. Tryon, operators of Del Norte county's oldest and largest implement firm, are announcing this week that they will close out the business. Mr. and Mrs. Tryon, who operate the business at their ranch just north of the town of Fort Dick, started selling farm implements and building materials back in 1937 and have

built it into the largest of its kind in the county.

Mr. and Mrs. Tryon are announcing this week that they will put their entire stock up for auction on next Friday and Saturday, September 12th and 13th, with everything to go to the highest bidder under the auctioneer's hammer.

Carl Johnson, well known Eureka auctioneer, will call for the bids, on everything from carpet tacks to farm tractors and milking machines.

Ill health of both Mr. and Mrs. Tryon has made this closing out necessary.

STOP FOR SCHOOL BUSES!

Still confused about Oregon's school bus stop law? This is the way it works. On a two-lane roadway, you must stop when meeting or overtaking a school bus which has halted to load or unload children. On roadways having three or more lanes, you must stop only if you're traveling in the same direction as the bus. After having stopped, you must not proceed as long as any children are leaving the bus or crossing the roadway. To assist in holding traffic while children are crossing the road, all buses are equipped with red stop signal arms. You must stop for the bus whether or not the stop arm is extended. Use of this signal by the bus driver simply indicates the situation requires you to remain stopped. The law applies equally to city streets and rural roads and highways.
