GUEST EDITORIAL—

At their primary election held last week the Republicans of Wisconsin nominated McCarthy as their senatorial candidate. He collected about 65 percent of the total Republican vote of Wisconsin.

He has long been the stormy petrel of the United States Senate. At times some of the other members of the Senate have tried to have him expelled from that legislative body. As to the tactics McCarthy uses in achieving his purposes the Pilot makes no reference. Nor does it attempt to take any side in the controversy raging about this man.

However, one thing is clearly apparent. McCarthy is a foe of communism. Whether they be Democrats or Republicans this country needs more men in Congress who are dedicated to the proposition of kicking the Reds out of their communistic cells. America needs more men in its high places who will ferret out these gangsters and murderers. We need more leaders who will stand as a strong barrier against the infiltration of these Red traitors into our government and every day life.

As long as we have our McCarthys vigorously fighting Stalin and his Mongolian hordes in their ruthless attempt to subject the peoples of this earth to communistic depravities and unholy red rule, America stands a better chance of remaining a free nation.

To the extent that "McCarthyism" means speedy elimination of all communists and communistic sympathizers from their positions in our government we are for "McCarthyism." —E. F. A.

"Faith is the substance of things hoped for, the evidence of things not seen" (Hebrews) was the Golden Text for the Lesson-Sermon entitled "Substance" which was read in all Christian Science churches on Sunday, September 14. Among citations concerning the substance of true worship were the following from the King James Version of the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world" (James 1:27). "The substance of all devotion is the reflection and demonstration of divine Love, healing sickness and destroying sin. Our Master said, If ye love me, keep my commandments" (Science and Health, p. 241).
