LOCAL COUPLE MARRIED IN GRANTS PASS

In a simple but impressive ceremony in the Methodist Church at Grants Pass on August twenty sixth, Miss Marilyn Hannan, daughter of Mr. and Mrs. George Hannan of Harbor became the bride of William Shipley, son of George Shipley of Brookings. The Reverend Joseph Knox officiated at the ceremony with the attendants being Miss Joanne Clendenin and Robert Shipley.

Both Mr. and Mrs. Shipley are well known members of the younger group. Mr. Shipley was a member of the 1952 graduating class of Brookings High School and is now employed at the Texaco Service Station at Brookings. Mrs. Shipley is continuing her studies at the high school. They are making their home on the Larry Moore place a couple of miles up the south bank road of the Chetco.

This Saturday, October 4th, is the last day to register for the general election in November. Residents of this vicinity who live north of the Chetco river register at Moore's Variety Store in Brookings, and those living south of the river at the Harbor Post Office.

Mr. and Mrs. Steve Cate are the parents of an eight pound ten ounce daughter born at the Seaside hospital on September 26th. They have named the little newcomer, Jeri Lynn.

Mr. and Mrs. Joe Bush left the latter part of the week to return to their Parker, Arizona home for the winter. Before leaving, they sold most of their property on the Chetco River above Harbor, retaining for their own use a small cabin, as they plan to have Harbor for their summer time home. Mr. and Mrs. Harold Hare are the new owners of the Bush property, and are very enthused over it.

Mrs. Clara Kerns and Mrs. Edith

Ackley returned Saturday from a two weeks trip which took them to Yellowstone Park and Grand Teton National Park. They report that instead of the cold they had thought they would find, that they went through some very hot weather except at night in the higher altitudes.

The two daughters of Mr. and Mrs. Merle Hanscam had a close call from serious injury Sunday when the door of their fathers pickup flew open on a curve near the Winchuck bridge and they fell out of the moving car. Merle says that when he first realized that something was wrong the girls were in the air falling from the pickup which was going about thirty five miles an hour at the time. The older girl Sharon, was most seriously injured, having several deep cuts around her head and one eye swollen shut, and like her younger sister Merlene, generally bruised and shaken up, but both girls will soon be over the effects of the accident. It is thought that one of the girls pushed against the door opening lever when they went around the turn as it was shut tight when they started.

Mrs. Kay Sandstrom left last Friday for San Francisco where she is combining business and pleasure for a few days. She planned to attend a beauty show in that city on Sunday and Monday, and at the same time enjoy a visit with her daughter, Miss Rosalie Wood of Los Angeles, who was to meet her there.
