## League Endorses Weight Mile Truck Tax Bill

PORTLAND — The executive committee of the League of Oregon Cities has endorsed the weight-mile truck tax bill, League officers at the same time expressed their opposition to a proposed constitutional amendment which, if adopted, would eliminate the weight-mile basis of taxing trucks in Oregon.

Bowes urged an affirmative vote on ballot title 318 and a negative vote on number 331. He declared that the state would lose approximately \$2 million additional revenues annually if the referendum bill did not carry and that highway financing in the state would be jeopardized unless the proposed constitutional amendment was defeated. In a statement to the officials of League member cities, Commissioner Bowes declared "the officers of the League have taken action on these two ballot measures as a means of supporting legislative action in this field."

## School Enrollment Highest In History

The October monthly report for the Brookings Harbor school shows the highest enrolment in the schools history with the following listed on October 17, report date:

High School	176	
Elementary School	520	
Total	696	696
Less withdrawals:		
High School	13	
Elementary School	14	
Total	27	27

Present membership 669  
An additional room was set up in the Community Church basement to take care of the overload in the first and second grades, with Mrs. Hannah Dotson as teacher.

The High School has set Nov. 22nd as the date for the High School Carnival.

### LET'S GO TO PRESS ON TIME

The Pilot is sorry not to have been able to assist some of its patrons in their advertising this week because copy did not reach the office in time. In order to lay-out and compose our paper, we must know what our material will be before beginning a run. We appreciate knowing by 5:00 o'clock on Tuesdays what advertising will be used. Space for news items and classified ads can be arranged up to Wednesday noon.

## DINNER GIVEN FOR SCHLEISNERS

A dinner at Don's Cliff House, given Wednesday night by the post office staff and their husbands honored Mr. and Mrs. Willis Schliesner who have leased their home for the coming year and will leave soon for the San Deigo area. Best wishes to Nellie and her husband. She has served the public at the post office for several years past and will be missed by every box-holder.

## Injured In Car Accident

Mrs. W. H. Hibbard was injured Saturday afternoon when her car was struck by an oncoming car as she was making the turn into the driveway of her home in Harbor.

Mrs. Hibbard has two broken ribs and received other injuries which required her to be hospitalized until Sunday. The occupants of the other car were Mr. and Mrs. Dan Massett and daughter, Joan, Ukiah, California, their son-in-law and daughter, Mr. and Mrs. John Twork and two small children, Arcada, who were all rushed to Seaside Hospital. After care and treatment they were released Tuesday except Mrs. Massett who is still in critical condition, according to Dr. Paul Ronniger, who attended them.

Both cars were badly damaged when the cars collided. Mrs. Hibbard was returning from Brookings and attempted to make a left turn into the driveway of her home when she was struck by the car going north. A rise in the highway a short distance south of the Hibbard home would make it difficult to see an oncoming car.

Mrs. James Hilt, Eugene, daughter of Mr. and Mrs. Hibbard remained here while Mr. Hilt returned home Tuesday. Mrs. Hibbard although suffering from shock and pain of broken ribs is doing nicely.

## Lucille Molino Succumbs

Mrs. Lucille Molino passed away at the Peralta Hospital in Oakland on Thursday, Oct. 23rd at 7:30 a.m.

Mrs. Molino had been seriously ill with peritonitis for some time and an operation had been performed. Mr. Molino had received a phone call earlier that his wife was sinking and was ready to go when the message arrived. He flew to Oakland on Thursday. Mr. and Mrs. John Molino and other friends of Brookings will go south for the services. Interment will be made in Central, Calif.

## Chamber Board Members Meet at Brimm Home

The Brookings Chamber of Commerce board of directors met at the home of Roy Brimm this past week. Mr. Brimm, who suffered serious injuries in a plane crash last August, was wheeled in his hospital bed to the center of his spacious living room, where the directors joined him in an evening of business and enjoyment.

Mr. Brimm, though getting along very nicely, must be confined to his bed for another three months.

Virgil Goldsberry presented an interesting resume of the air war and other combat activities in the South Pacific where he was stationed during world war II.

Harry Lyness, cashier of the Oregon State Bank was elected to fill the vacancy created by Carl Mason who tendered his resignation.

After the adjournment of the business meeting, Mrs. Brimm became the center of attraction. At least she had no trouble at all, disposing of a huge tray of doughnuts, a dish of fruit and an enormous amount of coffee.

## Political Powers Of Women Sought

An effort is being made to see if women, who control America's pocketbook, according to census figures, also control America's politics.

One step in this research is being undertaken in Oregon under the leadership of Gladys Last, State Vice-Chairman of the Democratic Party. Precinct Leaders and their poll watchers are being asked by Mrs. Last to make a tabulation of all voters at the November 4, General Election according to sex. According to Mrs. Last, the plan has 2 major purposes. Mrs. Last says "It will give us once and for all accurate figures about the political power of women".

"This project can serve as added incentive for women knowing they are to be counted to get out and vote."

### HEARTHSTONE UNDER NEW MANAGEMENT

Mr. and Mrs. George Widney have taken over the management of the Hearthstone, formerly operated by Mr. and Mrs. Thomas Thompson. Their advertisement, too late for this issue will appear next week. Meanwhile they are open for business.

### STUDIO HOLDS OPEN HOUSE

Mr. and Mrs. Richard Alexander will hold open house on Saturday 25th from 3:00 to 8:00 p.m. at their attractive studio in the Clive Manley building. Friends are invited to call and get acquainted.

## BUYS INTEREST IN EU-LEES DRESS SHOP

The share in Eu-Lees Dress Shop owned by Eunice Langlois, was purchased by Eva Lea Long this recent week. She will continue to be associated with the Pete J. Lesminster Real Estate office for an indefinite period while Mrs. Lydia Browman manages the dress shop. Mrs. Langlois and her husband returned to Roseburg, where they lived before coming to Brookings.

## Father Kemp Found Sunday

Adrian Kemp, father of Norris and Ray Kemp, who became separated from fellow hunters on Saturday, between the Leo Lucas ranch and Longridge was found just as it was getting dark on Sunday night. He was waiting beside a road for those answering his shots and hunting for him.

Bill Brown, Neil Nelson, Ray Gardner, Steve Ettinger, Vernon Hanscam, the Kemp sons and others hunted through Saturday night and all day Sunday.

Shots fired and sometimes answered, echoed and confused the hunters, so that they often turned in the wrong direction.

Mr. Kemp, who was quite ill last year, had sensibly stayed near a road, and though tired and hungry, was not harmed by the experience and went hunting again the next day and fishing the day after that.

### OLD TIMER HERE; RARE VOLUME BOUND

B. Timeaus of the Upper Rouge river where he owns a gold mine, is visiting his son and family north of Brookings. He visited the Pilot on Wednesday searching for material with which he will bind a rare old volume in his possession. Mr. Timeaus is a translator and a most interesting conversationalist. He is mining a high grade of gold ore in the vicinity.

## Library Board Reports

The library board will hold their regular monthly meeting next Tuesday evening, October 28th, at 8 o'clock at the V.F.W. Hall.

All members of the library association are invited to attend. Also anyone interested in the library and wishing to become members of the association are urged to come.

The case of salmon donated to the building fund by the Cedar Lane Cannery netted \$65.00 and was won by Mrs. Opal La Brooks. \$160.00 was received from the Dewey Akers' memorial flower fund. These monies with some additional collection of pledges now brings our bank account to \$2282.29. The proceeds from the show have not yet been reported.

## Late Discoveries In Medical Science Is Rotary Topic

At the Tuesday noon, Oct. 14 Rotary luncheon at Chetco Inn, "Frenchy" Arrell gave a most interesting explanation of the importance to the human body of results lately discovered by scientists. In research processes using monkeys or chickens, it has taken 6 weeks to arrive at the point which now is possible with bacteria or yeast in 3 to 12 hours. Often \$1,000,000 is spent in the laboratories on one problem.

Mr. Arrell pointed out the recent discovery of folic acid of vitamin B-9 which is a builder of red corpuscles. There is continued research, and cures are being made available to the public every year.

Mr. George Ulet was speaker at the Rotary luncheon Tuesday. He was instrumental in organizing the Community Building at Coquill and gave an interesting talk on how it was financed and built.

Much could be gathered from his talk in getting such a building here.

## Hunting Party Successful

Hunting has been good this year. To cite as an example: In the Wilson party returning Monday from eastern Oregon, were nine with eight tags used.

Going from here were: Mr. and Mrs. Wilson Freeman, Marjorie, Mr. and Mrs. Arbee Freeman, Mr. and Mrs. Art Crook and son, and a friend that joined them shortly before returning. Arbee shot the grand pappy of Steen Mountain, a buck weighing over 300 pounds.

The party left here with jeep and transported their horses by truck which they later used to pack in to Steen Mountain, eighty miles east of Burns. They were away twenty days and report a wonderful time with trout every day for breakfast.

Mr. Freeman said the hunters were thick in that section of the country and that he estimated a thousand deer had been taken out of that section during the time they were there.

An extension of the buck deer season has been made for the west coast, west of the Cascades from Oct. 22 to Nov. 1. Elk season opens Nov. 1.

### PLEASE HELP US

It would be of much help to, and greatly appreciated, by the Pilot staff in bringing our circulation records up to date if those subscribers who do not hold receipts dated 1953 would contact the office either personally, by phone or mail.

It is our sincere wish to serve our subscribers as efficiently as possible, hence this request.
