

HARBOR NEWS

Dr. W. C. Shearer arrived from Portland Monday for a few days fishing and visiting at the home of Wesley Smith. When he went out fishing Monday afternoon he had the good luck to get two large salmon. Another guest at the Smith home was A. C. Stevens, a former neighbor of Mr. Smiths when he lived in Portland, who left last Friday after being here ten days. He also had some luck with a couple of nice salmon to his credit.

Mr. and Mrs. Melvin Mienicke returned to their home in Cupertino, California Wednesday after visiting for a few days with Mrs. Mienicke's mother, Mrs. Irene Porter at her home on the Winchuck.

Mr. and Mrs. Bob Chambers left during the weekend for Logan, Iowa for an indefinite stay as Mrs. Chamber's mother is in poor health. During their absence, Mr. and Mrs. Walter Holmes of

Talent are in charge of the motel. Sgt. Gene Reiling left for Grants Pass Tuesday after spending several days here visiting relatives and friends. While here, he stayed with his uncle and aunt, Mr. and Mrs. E. E. Hanscam Sr.

Mrs. H. J. Wiegel enjoyed an overnight visit in Talent with Mr. and Mrs. Loyal Bates the middle of last week, making the trip with Mrs. N. V. Strommen who was in that area on business. Mr. and Mrs. Bates are former Harbor residents.

Ira Hoffman returned to his Benham Road home Friday after visiting for three weeks in Portland with relatives.

Mr. and Mrs. Gene Bock drove down from Coos Bay Friday and took Mrs. Bock's uncle, Gustav Wilson, back to make his home with them. Mrs. Bock is the former Betty Benson.

Mr. and Mrs. Milton Graham left last week for San Diego where they will spend the winter months as is their annual custom. Mrs. Graham's brother, Chalmer Lindley had hoped to make the trip south this winter also, but was unable to leave.

Mr. and Mrs. Joe Rose left the latter part of the week for North Dighton, Massachusetts where they will visit relatives until after the first of the year. Their present plans call for them to return by the way of Florida.

Mr. and Mrs. Bill Robinson of Gold Beach became the parents of a seven pound eleven ounce sort at the Seaside Hospital on October 13th. They have named the young man Mitchell Lloyd. Mrs. Robinson and Mitchell are staying with her parents, Mr. and Mrs. Carl Bolin while she is recovering her strength.

H. O. (Mel) Milbourne is happy now in a little cabin by himself

again. Mel's house near the Jacks Creek bridge was burned to the ground a few weeks ago with nothing saved. He stayed for several days at the home of Mrs. Hattie Mackey, and is now in a cabin on the Upmeyer place. The Red Cross would have helped build him another cabin but could not do so as he didn't have a clear title to the land his former home was on. The Welfare Department wanted Mel, who is an old age pensioner, to go to a nursing home, but like anyone able to care for themselves, he refused to do so as long as he is still able to get around and do things for himself. One admires this independent spirit, and with the help of his neighbors, he will be much happier in his own place.

Mr. and Mrs. William Martz and son have returned to their home on Benham Road after being in San Diego for several months.

Mrs. Fern Brule and George Hansen left Monday morning for their homes in Sierra Madre, California after spending the summer at their homes on the Winchuck.

Mr. and Mrs. Dave Crockett to Mendocino County, California took a three day trip last week where they visited Mr. Crockett's brother and sister-in-law Mr. and Mrs. Harvey Lockwood near Bell Springs. The Lockwoods, well know former Harbor residents, are the caretakers on a 3000 acre sheep ranch.

Mr. and Mrs. C. J. Kelly are the parents of an eight pound one ounce daughter born at St. Joseph's Hospital in Eureka on October 5th. They have named the little Miss Casey Colleen Kelly.

The Alexander Studio

On Tuesday we hung our draperies, separating the camera room from the reception room. They're sort of a melon color.

This means we are ready for our open house which we've been planning for a long time. It's scheduled for Saturday, October 25, from 3 to 8 p.m. You are invited... each one of you... to drop in for coffee, while you're down town shopping, during your coffee break, or on your way to the show.

ON THE MOTOR CARRIER HIGHWAY TRANSPORTATION ACT

THIS IS A MEASURE TO INCREASE TAXES!

- Everything you buy is handled by trucks at some time, and increased truck taxes will increase your daily costs of living!
- Increases apply to all motor vehicles of all sizes!
- Taxes on large common carriers, large private carriers and large logging trucks are increased approximately 35% on mileage.
- And... Taxes on logging and dump trucks classified on flat fee option would be increased 50%!
