registered at the Co-op on the college campus and went to the homes to which we were assigned.

Dinner was served at the Nelson Hall cafeteria at 5:30, which we enjoyed immensely. During the dinner, our hosts entertained us with a very interesting program consisting of speeches and enjoyable music.

After dinner the Humbolt College Players presented us with the three-act play, "Our Town." This drama depicted the characters of a small home town.

Saturday morning, after breakfast at Nelson hall, we saw two one-act plays which were given by Arcata and Ferndale high schools. We hope we can find enough talent, material and guidance to put on plays in Brookings High equally as good.

Luncheon was served again at Nelson hall, the hosts being Brookings. Lloyd Russell was master of ceremonies. The program included solos, pantomimes, tap dancing and other acts from various high schools. Jerome Nichols played two cornet solos, "Tenderly" and "Stardust." His sister, Kay, accompanied him on the piano.

Three one-act plays were presented after the luncheon. The plays were given by Eureka, South Fork and Fortuna high schools. Following the presentation of the above mentioned plays, a snack dance was held at the Co-op for recreation and relaxation. And, finally, after our evening meal, the outstanding drama of the evening was presented by the Chico State college players. The play, "Liliom," by Ferenc Mornar, the mixture of realistic drama and fantasy, is the one from which Rogers and Hammerstine developed their outstanding musical "Carousel."

We truly enjoyed our trip to the Dramatic Festival at Humbolt State college and we know it will be of great help and inspiration to us in producing our future plays. We are sincerely grateful for the privilege of being invited to attend a festival so outstanding in talent and merit.
