

Mayor's Letter To City Council

Mayor Dimmick's letter to the city council was read at the Tuesday evening meeting. Under the Oregon charter the mayor can serve for a two-year term but nowhere does it state that he cannot be re-elected for a second period. The letter follows:

To the City Council of Brookings:

My term as mayor draws to a close at the end of 1952. With this, our final meeting of 1952, I wish to thank each of you for the fine support and loyalty you have given me during the last year and a half. Our problems have been many and at times almost insurmountable. I feel safe in saying that every solution that was made was for the best interest of the majority of the people.

In summing up accomplishments of my term, I would like to give special praise to Warren Smith for his fine work in pre-

BUY AND USE CHRISTMAS SEALS

Christmas Cantata Given As Scheduled

Power outage and storms did not keep the Chetco Choral Club from presenting the Christmas cantata Sunday afternoon as scheduled. The affair was held at the high school with a good audience in attendance considering road and weather conditions.

The cantata, "The Music of Bethlehem," by Fred B. Holton, arranged for three-part ladies' voices with solos and duets, was directed by Mrs. Lee Rice and accompanied by Mrs. Willard Graham. During the interlude Mrs. G. P. Christensen played a violin solo, "The Holy City," accompanied by Mrs. Stanley Patterson.

The ladies, wearing sheer, white full-sleeved blouses and black skirts, were "pretty as a picture" standing before a backdrop eight-foot high of evergreen decorated with large painted poinsettias. Mr. and Mrs. Clifford Lindskoug were responsible for the decorations, which tells a story in itself.

Following the program tea was served from a beautifully appointed table.

BUSY SCHEDULE AHEAD

Sunday the Choral club will sing for a 5 o'clock vesper service at the Federated church, Crescent City. Dates will be announced later of two more appearances of the club before Christmas. This information will be "music in the ears" of those people who missed hearing the group Sunday.

paring our budget and to Charles Young for his fine work on the planning and zoning ordinance. I am very proud of our new fire truck, our new city jail, and our new city hall. We have new sodium vapor street lights which will be added to as funds are available; and next year we will embark on our first street paving project. Money has been appropriated for street signs and before long we should have them in place.

To all city employees, I wish to thank them most sincerely for without their fine cooperation my job would have been more difficult.

In my opinion the two most serious problems confronting us next year are:

- 1. The great need of fire pro-

drants for fire protection.

- 2. The need of some kind of oil covering to keep the dust down on the city roads.

I consider it a high honor to have been selected the first mayor of Brookings and have tried to administer the city's business in an economical manner. The new mayor who will be selected the first meeting in January will take over a debt-free city in a sound financial condition.

Sincerely,

BOB DIMMICK

Change of climate has no value in treating tuberculosis, contrary to popular belief. Doctors usually recommend that patients enter a TB hospital within visiting distance of family and friends.

Commercial League Scores for Dec. 4

Team standings:

	W	L
Brookings Machine	22	10
Harbor Garage	—	—

Hoagland	154
Matson	152
Putnam	148
Christensen	147
Kerns	146
Mendenhall	145
Morgan	145

Curry County Lumber and Harbor Garage to make up postponed game Sunday, Dec. 14, at 2:00 p.m.

News Notes From Alexander Studio

The "off again, on again" electricity has made things difficult for the photographer. Yea, more than somewhat!

We are working like mad on Christmas orders. Incidentally, this next week is your last in which to get your portrait made in time for Christmas.
