Why Millions Call Him "HOLY FATHER"

Catholic loyalty to the Pope is the cause of never-ending amazement to many non-Catholics.

They wonder how an exclusively spiritual leader can command the devotion of nearly four hundred millions of people. They cannot explain why this vast religious family... representing every race, color, language and political belief on the face of the earth... lives and grows through the ages, while man-made empires have their day of glory and then disappear.

What is there about this one man that causes people to speak of him in a hundred tongues as "Holy Father"?

We find the answer, of course, not necessarily in the holiness of the man himself, but in his Christ-given office. The answer is found by tracing the history of the Catholic Church... the history of 262 successive Popes... back through nearly 2,000 years to Christ Himself.

We know as a matter of historical fact that Christ did establish His Church... that He commissioned the Apostle Peter as its first head... that He sent His Apostles forth to teach men to observe all things He had commanded.

We know from the New Testament that the Church was actually

organized... that it was governed by the Apostles under the leadership of Peter... that it was teaching Christ's truth far and wide, long before the last book of the New Testament was written and the books of the Bible were collected,

into one volume.

Christ's purpose in organizing a Church was to make certain that the good news of Redemption would be preached to all men... even to the end of the world. To accomplish this with fallible men, required that He establish a Church — divinely protected from error in transmitting His teaching through the centuries.

The Catholic Church traces its unbroken history back to the Apostles — back to Christ. And Catholics today call Pope Pius XII "Holy Father" because he is the lawful and historical successor to Peter, the first Pope. He is in our time... as Peter was in the first century... the Vicar of Christ on earth.

Would you like to know more about the Pope... why the promises made by Christ to Peter and his successors make the Pope the most important man in the world? Then write today for a pamphlet which we shall send you free and without any obligation. Ask for Pamphlet No. 4-N.
