High Awards to Oregon 4-H Club Youth

TOP RATING honors in Oregon were awarded six teen-agers for high ratings in the 1952 National 4-H Dairy Foods and Bread Demonstration programs. Highlights of their records indicate they were active all-round 4-H'ers.

Shirley Page

Betty Sue Nelson

Louise Bates

Joan Karns

Janet Babcock

Donna Rohrer

Tops in Dairy Foods Demonstrations in Oregon were Shirley Page, 18, of Salem, and the team of Betty Sue Nelson, 16, and Louise Bates, 16, of Corvallis. Appreciating the importance of milk for good health, they have utilized many new and palatable ways of varying the diet by the use of dairy products. Their demonstrations have been given before 336 people. Shirley gave the best individual demonstration on dairy foods in the state this year, presenting a "Five-Star Casserole," made of bread, cheese, milk, salt, mustard and butter. Betty Sue and Louise's prize-winning demonstration, "Cheese Fondue" made with powdered milk, was nutritious, economical and convenient. Chosen state winners, each girl was presented with a 17-jewel wrist watch by the Carnation Company. In carrying out the objectives of this program, the teen-agers learned how to speak well in public, developed poise, good sportsmanship and teamwork. They have likewise performed a genuine service to their communities.

Three pert young homemakers are mighty proud to be collecting top state awards—a \$50 U. S. Savings Bond to each—in the 4-H Bread

All these programs are conducted under the direction of the Cooperative Extension Service.

Demonstration program. Joan Karns, 17, of Orenco, demonstrated "Rolls are Easy," explaining the different kinds of flour that may be used, and the nutritional value of each ingredient. Joan showed how to make several kinds of rolls from the same dough. Her demonstration was given before 500 people.

The team of Janet Babcock, 15, and Donna Rohrer, 16, both of Hillsboro, gave as their prize-winning demonstration, "The Art of Bread Baking," in which they gave the steps in mixing, temperature of milk, kinds of gluten and its importance in bread making and how to test dough. Standard Brands provided the Savings Bonds awards to these young people for their outstanding work.

Bonnie Kay Mincer Donates to Library

Through the generosity and hard work of Bonnie Kay Mincer, a sum of approximately \$50 was turned over to the Chetco community Public Library association on Tuesday of this week.

Miss Mincer presented her dance pupils in recital at the Grange hall on Saturday night, Dec. 20, in a review of clever numbers. The program had been given much thought and preparation and downright hard work by Miss Mincer, who is a student in the Brookings Harbor high school. She is to be commended for her capable handling of a project which would have been a problem to one much older than her 16 years.

Her small pupils gave a fine performance and proved that "the show must go on" when a substitution of records was made for one dance because the original one practiced melted.

Bonnie Kay has been dancing since she was five, taking lessons off and on. Last year she served as assistant to Mrs. Ruth Bennett, Grants Pass, in her instruction work

Tribute Given Spanish War Vets

Wednesday, Dec. 17, was regular meeting day for Frank C. High Camp, No. 142, United Spanish War Veterans at Crescent City, Calif. It was also the date for their annual Christmas dinner.

The members were greatly and most pleasantly surprised to find their table in the Vets Memorial hall all set and beautifully decorated with a small tree as the centerpiece and turkey dinner with all the trimmings was brought in by the officers of the Del Norte county court house as a pleasant surprise and Christmas gift.

There were seven members and their wives present, and all agreed it was the finest tribute that could be extended to a few of the old boys.

A. O. Bollinger is the present commander of the camp.
