

## 12 Brookings Harbor Pilot THURSDAY, FEBRUARY 5, 1953

### Brookings vs. Langlois

On Saturday the Bruins again traveled to Langlois. Due to the inadequacy of cars they took only one team. It was a one-sided game most of the way, except for the first quarter which ended 12-11 in favor of Langlois. At the half period the Bruins were ahead 31-15. At the three-quarter mark the Bruins were ahead 42-20. The Bruins went on a scoring spree the last quarter, making almost half their points in that one quarter, and the game ended 81-30 in favor of Brookings and again they travel to Port Orford this Friday. Be there if you can and help your team along to another victory.

High point man was Ron Western, making 19 points, with Ray second with 12 points and third Boyd with 11 points. The Western brothers seemed to be running high point this game.

### CHETCO INN

#### SPECIAL SUNDAY DINNER

When Brookings Has 10,000—What Will You Have????

## Thievry Rampant In Community

Should you be flagged down by some citizen along the road and asked some earnest questions about where you've been and what you have in your car, you should cooperate and be glad of it because stealing has become so bad the regular police just cannot cope with it and several citizens' patrols are helping out. They mean business and are prepared for it.

Thievery is costing everyone just too much, both in the materials taken and in the time lost in replacing them. Large quantities of woods equipment has been stolen. Nothing portable seems to be passed up. There is a report of a thief taking the tires from a parked car in broad daylight. Art Crook lost a couple of geese and his neighbor had his hen house raided, both last Saturday night.

Efforts are being made to find out what becomes of the material stolen. There is so much of it someone will probably be offered a bargain. If this happens to you, inform the police as soon as possible, as something may be stolen from you and offered as a bargain elsewhere.

### Brookings vs. Gold Beach

By RAY "OLIE" WESTEREN

The Bruins traveled to Gold Beach last Friday and picked up another league game victory. The score at the end of one quarter of play was Brookings 19, Gold Beach 11. At the half period the score was 31-24 in favor of the Bruins. At the third quarter mark it was 44-32 and at the sound of the horn at the end of the game the score was 62-48 still in favor of the Bruins. Brookings led all the way but it was a good ball game. Brookings lost two of the mainstays by the five foul limit. They were Ron and Boyd Western.

Jack Grush was high scoring man, making nineteen points, and Ray Western second with 10 points.

The junior varsity wasn't so fortunate as the varsity and lost their game which was hard fought all the way. At the end of the first quarter the score was 17-8 in favor of Brookings. The half-time period was 25-23 in favor of Gold Beach. The third period ended 33-30 in favor of Gold Beach with the score 43-40. We wish the Brookings second team better luck next time.

Lloyd Russell and Jerry Brewer tied for first place in individual scores with 11 points each. Frank Fadling followed with six points.

### Library News

Plans for the Library Carnival Night are shaping up. Several organizations have already pledged their co-operation. There will be cake sales, dart game, fish pond, wheel, plant sale booth, bingo and many others. Saturday night, Feb. 28, at the F.V.W. hall. All proceeds to go to the library building fund.

### School News

The game scheduled for Friday night between Brookings and Port Orford will be played at Port Orford. It was originally booked for the local floor.

School was hampered by a lack of water on Tuesday morning and children in the grades were excused at the morning recess. Service was restored and the afternoon shift continued as usual.

### CARD OF THANKS

We wish to thank our friends and neighbors for the many flowers and expressions of sympathy at the time of our father's passing.

Mr. and Mrs. C. P. McCulloch.

## On the Main Drag

Effervescent Teen Club members getting out their formals.

The Chas. Youngs getting travel info on the Coast Ha.

Ed McClain needing an assistant or private secretary.

Congratulations to Jimmy Widney, Star Scout.

Students calling for "water, water, cool water."

Fragrant blue hyacinths at Mr. and Mrs. Don Youngs Gift Shop.

Jim Yelton with the "sniffles."

Weather hard on local shoe leather.

That elusive police officer.

Sixteen inches of rain in one week—haul out the lifeline.

### DRAG ON LIFE SPAN

Overweight was described at the recent annual health meeting of the American Public Health association as "America's No. 1 health problem." Solution of this problem, it was declared, might

increase life expectancy by as much as four years and greatly reduce deaths from heart disease, cancer, and other major chronic diseases of the second half of life.
