Soul was said to be a proper synonym for God when it is understood that Deity is the essence of all individual manifestations of life, in the course of a lesson-sermon on that subject, which was read in all Christian Science churches on February 15.

Using the stately goings of the universe as a symbol, a verse from Psalms and a few lines from "Science and Health with Key to the Scriptures by Mary Baker Eddy were read correlatively as follows: "For the Lord God is a sun and shield: the Lord will give grace and glory; no good thing will he withhold from them that walk uprightly" (Ps. 84-11). "The sun is not affected by the revolution of the earth. So science reveals Soul as God, untouched by sin and death,—as the central Life and intelligence around which circle harmoniously

all things in the systems of Mind." (Science and Health, p. 310).

**Veteran Income Tax Reductions**

The Oregon bonus is exempt from state and federal income taxation, along with most other benefits payable to war veterans or their survivors, the State Department of Veterans' Affairs reported this week. Other items excluded in computing federal and state tax returns are:

Bonuses paid by other states; G.I. insurance dividends; all education and training benefits, compensation and pensions paid by the Veterans' administration to veterans of any war including Korea; insurance proceeds paid on death of the insured; mustering-out pay and jobless benefits paid under the Korean GI bill; death gratuity pay; and social security benefits, workmen's compensation and sickness benefits.

Retirement pay for length of military service is taxed by Uncle Sam and the State of Oregon. Disability retirement pay is exempt from federal taxation, while Oregon taxes any amount in excess of \$1500 with this exception—if the Veterans' administration had at one time been responsible for making the pay-

ment then it is totally exempt.

Oregon servicemen on active service duty enjoy a state tax exclusion on the first \$3000 of their annual military pay. This also means pay earned during annual National Guard summer camp or reserve cruises or maneuvers of two weeks or more.

Servicemen must pay federal taxes on their military income except for periods of service in Korea or adjacent waters, or for periods of hospitalization as the result of service in Korea. Any income taxes owned by a serviceman who dies on active duty as the result of service in Korea by Uncle Sam.
