The infinite wisdom of God was declared at hand through prayer to allay the confusion of our times in a lesson-sermon entitled "Mind," read in Christian Science churches throughout the world on February 22. The Golden Text was taken from Psalms, "Great is our Lord, and of great power: his understanding is infinite."

In a reference read by the First Reader from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 128), it was said that "The term Science, properly understood, refers only to the laws of God and to His government of the universe, inclusive of man," and it was added, "A knowledge of the Science of being develops the latent abilities and possibilities of man. It extends the atmosphere of thought, giving moral access to broader and higher realms."

### SMITH RIVER

Miss Ruth Crawford, from the home advisor's office in Eureka, attended a home demonstration meeting on Wednesday evening at the Community hall. Miss Ruth Wells presided at the meeting. Miss Crawford gave a talk on window treatment or treating your windows right by using the right color and right kind of material for making drapes for the windows. There were 32 ladies in attendance to hear the interesting talk.

The Smith River Cub Scouts met at the Smith River school cafeteria one recent evening. The meeting was attended by parents and friends of the four cub dens. A potluck supper was served in the early evening. The cub pack is sponsored by the Smith River Women's Club. Cubmaster J. W. Hall and assistant master, Lewis Ulrich, each presided over the affair, with den mothers Mrs. Leland Simonson, Mrs. Taylor Westbrook, Mrs. Leslie Saxelby and Mrs. Lewis Ulrich sponsoring stunts put on by boys for entertainment of their parents.

Mrs. Clair Brogan spent several days in Portland, where she

visited her husband at the Portland sanitarium where he is recovering from major surgery. He is planning to return home this weekend.

Gordon Miller, son of Mrs. Velna Miller, who served two years in the U.S. Army, part of the time spent in Korea, has been discharged from the service and returned to his home here. He reports he is glad to be back with his many friends again.

Miss Rose Water, a telephone operator at Beverley Hills, Calif., spent her vacation with her parents, Mr. and Mrs. Charles Spooner, left on Sunday evening's bus for the south. She was ill with the flu while here and unable to enjoy her vacation.

Mrs. Eva Hill met with a painful accident recently at her home when a large stick of wood fell on her foot, which received severe bruises and was very painful. She was confined to her home for several days, but is able to be out again.

Mrs. Edna Samuelson, president of the Smith River P.T.A., reports her committee is busy making plans for the smorgasbord to be held Saturday evening, March 14, at the Commu-

nity hall. Serving of the food will start at 5:30. There will be plenty of entertainment for old and young. Ted Westbrook will furnish music on his Hammond organ. Keep this date in mind and plan to attend.

The series of card parties held at Lake Earl Grange hall each Monday night during the month of February came to a close Monday night with a neat sum cleared to carry on Grange activities. The grand prize for the series went to Eva Mello in "500," and to Emma Mello in pinochle. The committee thanks all who helped to make the affair a success.
