## This Week At The Chetco Inn

So much has happened at the Inn this past two weeks that this column was not written for last week's paper. The Lions were roaring last week and we did not have time to write the column.

Abe Gunther, J. Cambra and Wm. McDonnell were guests from San Francisco while erecting the new service station for Elmer Bankus.

H. M. Roberts of Medford and Rev. R. G. Hall of Roseburg were guests while planning for the new Presbyterian church.

Rev. Hugh Bronson and family are guests of the Inn while looking for a house. Rev. Bronson is the pastor for the new Presbyterian church.

Joe Phillips of Roseburg spent two days in Brookings area working on office equipment.

C. L. Doty of Arcata is back for a short time installing machinery for the new South Coast mill.

Federal veterinarian Dr. R. S. Russ, has been in the area the past week and he says that he has finished testing in this county and will not return.

Last weekend the city was full of Lions. Did you hear any loud roaring? They represented fourteen different cities in Oregon and northern California.

M. Blegen of Salem, representing Patterson Publishing Co., spent a day in Brookings.

Bruce Dickman, who has been in Brookings for the past three weeks looking after his flowers, has returned to Silverton.

Jerry Burnham of Coos Bay spent two days in Brookings on his Boy Scout work.

Archie McGowan of Burns and Mrs. McGowan returned to Burns this week. They said that they were returning to Brookings in April for the summer as they had fallen in love with this climate.

Chester A. Farr and wife from Coos Bay were our guests last weekend. Mr. Farr represents the Gideons of Coos county and while here dedicated Gideon Bibles for the Inn.

Joe Zumpfe of Harbor donated

the many flowers used to decorate the tables and lobby for the Lions banquet and we wish to express our thanks for those wonderful flowers. A letter of thanks has been sent to Mr. Zumpfe by the Lions Club but we wanted the public to know of his fine gesture.

Mr. and Mrs. Tommy Thompson and family plan to leave soon for Empire where Mr. Thompson will be engaged in plumbing work. From reports Empire is experiencing a building boom.

♦ Finger Pads, Yeltons.

## Long Distance Service Also Moves Faster When You CALL BY NUMBER

Truckers travel faster when they know the right highways. And your long distance calls go through faster when you call by number. This faster service is possible because most telephone companies can now use the inter-connected coast-to-coast dialing system. So for better service, call by number.
