The City Women's Bowling Association wishes to thank The Pilot office for the publicity they have given our new sports organization.

The Azalea Lanes alley manager, Mr. Rogers, for his full cooperation in making our first tournament a success, and the many scorekeepers who so patiently did a very fine job. Also the pin boys who must of lost a few pounds. They surely worked hard and also were tops.

Last, but not least, all our bowlers who entered, and we were very proud of a 100 per cent

One of our bowlers, Cora Chapin, was on the sick list and couldn't bowl.

Another bowlers really showed true sportsmanship. Muriel But-erick, of the Don's Cliff House team, had the misfortune to break a kneecap in two places and injure the other. She bowled her full nine games amidst a lot of aches and pains. Glad to see her team won. Nice going Muriel.

An added thanks to the committees who worked hard on scores and tabulating.

the Forestry school at Oregon State college in 1948. Since that time he has been employed on the South Umpqua Ranger district of the Umpqua National Forest as timber management assistant and more recently as assistant ranger. Ragland's family consists of his wife, Verona, and two sons of grade school age.

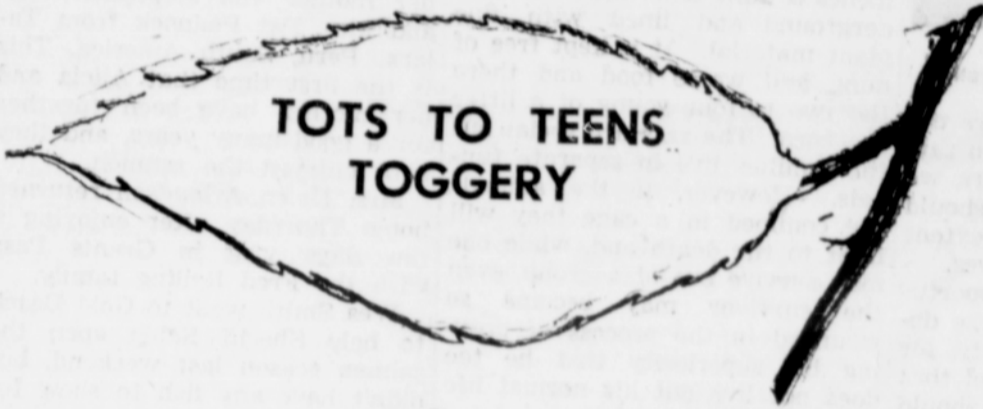

The Chetco district to which Ragland is assigned is not an additional ranger district but is the result of an adjustment of existing district boundaries. It is planned that the Agness area will be administered by a district assistant under the general supervision of Ranger John Porisch at Gold Beach. The seasonal fire suppression crew and the district packer and pack string will be maintained at the Agness headquarters as in the past.
