"God hath both raised up the Lord, and will also raise up us

by his own power" (I Cor.) was the Golden Text for a lesson-sermon entitled "Probation after Death," read in all Christian Science churches on April 26.

Among the citations read alternately from the King James Version of the Bible and "Science and Health with Key to the Scriptures" by Mary Baker Eddy were the following, "The dead praise not the Lord, neither any that go down into silence. But we will bless the Lord from this time forth and for evermore. Praise the Lord" (Ps. 115:17, 18). "Life is deathless. Life is the origin and ultimate of man, never attainable through death, but gained by walking in the pathway of Truth both before and after that which is called death" (Science and Health (p. 487).
