## Scouts Ready To Begin Building

On Friday night, May 1, a meeting was held at the Odd Fellows hall concerning the new Scout building. The discussion was interesting, several things were decided upon and committees appointed to carry out these plans.

Roy Dimmick and Blaine Gribble are the building planners. Their knowledge of construction and the building code laws was very helpful. The building will be 40x60 feet with concrete floor.

Present at the meeting were Ernest Wheeler, Cub Scout representative. Joe Kanick and Rod Herman, Lions club representatives; Dal Sanders, scoutmaster of Troop 32.

Ed Hoar, Odd Fellows representative of Troop 32; Mike Page, chairman of the building committee of Troop 32; Mr. and Mrs. Clifford Beem, representing the Cub Scouts; Mrs. Tom Doherty, of the Girl Scout committee; Mrs. Don Bingham, V.F.W. president, and Scout representative Don Bingham, youth activities chairman for V.F.W.

Another meeting will be held Friday, May 8, at 8:00 p.m., at the Clifford Beem home. All

## Barbershop Tunes Members and All

Brookings Chapter No. 675, S.P.E.B.S.Q.S.A. Inc. met last night at the high school at which time the annual election of officers was held. New officers elected for the coming fiscal year 1953-54: For president, Cliff Bushnell; vice president, Mickey Gould; treasurer, J. S. Clendenin; secretary, Charles Grayshel. Directors, George Swanson, Luther Tisdale and Paul Whirry.

New schedule for chorus and voice section practice were outlined as follows: There will be two chorus rehearsals per month and two voice section rehearsals per month. For chorus members who were absent from the past two meetings, the voice section captains are, for tenors, Orville Dimmick; lead, Luther Tisdale; baritone, Harold Young and Bob Swanson, bass. Chorus members are requested to contact these voice captains to find out what night and place they will practice next week.

With this new program it will be possible to work on the new numbers one week and then at chorus rehearsal work the various sections together. For the information of chorus members the two new songs that we have started are "Mississippi Moon," (p. 7 of Song Book No. 3), and "Kentucky Babe," (p. 10, Song Book No. 5), so if you wish to brush up on these songs before next voice section practice you may do so.

There has been considerable discussion about holding a parade of quartets during the week of Lily Blossom Festival. At first we thought of an out-door show in the Azalea State Park. However, seating and how to handle a crowd that would want to see the park was the one reason we have changed over to holding the show inside. Our next problem is securing a hall that would seat enough people in order to guarantee the cost of visiting quartets.

More on this subject next week.
