Dance Recital For Library Benefit

Bonnie Kay Mincer will present her students in dance recital Saturday evening, June 2, at the High School Gymnasium.

Twenty students will take part some of which are in the second year class. Ballet, tap and acrobatic dancing will be featured by the group made up of children four to fifteen years of age.

Proceeds will go to the library fund. Miss Mincer gave a similar recital last fall the receipts of which also went to the library fund.

LETTER TO THE PILOT:

This letter was sent to Master Robert Page, son of Mike Page, by Mrs. Goldie O. Smith, recently retired postmaster of Brookings. Mrs. Smith generously enclosed a check for \$10.00 toward the Scout Building.

May 5, 1953

Dear Robert

I note in the Pilot that you Scouts are trying to get your building started.

I want to help and enclose a check which you may present to your Dad who is Treasurer for the Scout fund.

I love the Scout work and not so very long ago I had three grandsons who were Scouts in the first Scout troop in Brookings.

Regards to your Mother and Dad.

Sincerely

Goldie O. Smith

LETTER TO THE PILOT:

Here's something for Kids of Brookings-Harbor area between the ages of 11 and 15, about forming local Junior Baseball

Well Baby Clinic Friday, May 22

There will be another Well Baby Clinic at the Grade School on Friday, May 22, 9:30 a.m. to 12:00 noon.

Mrs. Bertha Whirry and Mrs. Irene Koeller will assist Dr. Ronniger and Mrs. Cecil Watis, nurse. A clinic will be held once each month through the summer to enable youngsters entering school to have their shots and all dental work finished by the beginning of school in the fall.

League?

Here's what one organization has done. They've decided to sponsor one team, supplying them with fancy T shirts and caps, also some gear for the catchers if you fellows haven't got it, with a coach or two we're ready to play.

If you're in the age group, ask Dad to try and have whatever outfit he belongs to also sponsor a team. There's enough of you to make four or five teams and then we can have some regular league games.

You fellows must all have most of the gear you need and the sponsors will help with the balls and bats.

I'm sure your folks would enjoy watching you play and wouldn't mind putting a dime or so in the hat to help buy some trophies and maybe a little extra equipment.

Anyhow ask Dad to get busy and I think we can all have a lot of fun playing some real ball on a real team.

Tell Dad to get in touch with his organization and if they are interested to get in touch with Don (Red) Bingham or myself right away.

Signed

Al Phillips
