### Baseball Saturday And Sunday

Baseball fans of the area will have an opportunity to see the Brookings Beavers in their first Southwestern Oregon league action this coming week.

The Beavers are scheduled to play the Roseburg Umpqua Chiefs at 3:00 p.m. on Saturday and again on Sunday afternoon at 2 o'clock.

The Brookings club traveled to Medford last Saturday but both the Saturday and Sunday games against the Studs were rained out.

Jack Selby, ex-Los Angeles high school and American Legion star, who plays all infield positions as well as pitches and catches, has arrived in Brookings and is expected to see action in both games this weekend.

The Beavers will be strengthened further as soon as school is out as four members of the Oregon State college team have agreed to come to Brookings for the summer.

### Elementary School Exercises May 27

Grade school graduation exercises were held at the high school last evening, May 27.

Processional, Mrs. DeMoss. Invocation, Rev. McClain. Welcome Address, Patty Yarnell.

Piano Solo, "Grieg's Concerto," Jerri Lee Cagley.

Girl's Duet, "Those Endearing Young Charms," Marie Zabroski, Jacqueline Smith.

Phophesy, David Eikhoff, Stanley Cribble, Janet Glass, Nancy Cummings.

Band Selections, Elementary School Band.

Presentation of Class, Mr. William Tobin, Principal.

Presentation of Diplomas, Mr. Hendricks, Chairman of School Board.

Class Singing, Class of '53. Recessional, Mrs. DeMoss. Announcer, Brian English.

### We Aren't the Only Making Errors

Some consolation to The Pilot staff is to read that other publishers suffer mistakes made in operating errors.

Last week's issue ran a shortened account of the Lions charter night activities because at the last moment before going to press it was found that paragraphs had to be taken out as set to make the story fit the space allotted. After the issue was in the mails it was discovered that the lead paragraph to the H. S. graduation story was repeated which would have given ample space for the full account for the Lions story. Beg pardon, Lionesses. Perhaps this oversight may be made up at a later date. Checking on how this occurred

it was decided that one operator set the story and left it on the "hook." When the other operator came on duty he set it again. Printers follow copy.

The Publishers' Auxiliary, printed weekly in Chicago, ran the following item in its May 2 issue:

PAR TO CAP TO CAR

CYCLE COULD SEND

NEWSMAN INTO BAR

Versailles, Ky.—Phil Swift of the Woolford Sun recently underwent one of those headline writing experiences every editor runs into some time or another.

"The subject of the head," Mr. Swift explained, "was Claude Terrill and his fishing luck. It should have read 'Claude Terrill Still Below Par'."

The first proof of the story was all right, except "Par" was spelled with a lower-case "p." Mr. Swift marked the proof "Caps" meaning to put in a capital "P."

The second proof came back "Claude Terrill Still Below Cap." The "Cap" was marked out and "Par" written in the margin, with no further checks made.

When the paper rolled off the press the headline read "Claude Terrill Still Below Car."

Mr. Swift's appeal to Mr. Terrill: "Claude, if you're still under that car, you can come out now. The boys at Nonesuch are still wanting you to prove you're a good fisherman."

#### MAYBE NEXT WINTER

Editor, The Pilot: I think this is news. I've offered to bet any number of people \$10 that it would NEVER stop raining. So far I haven't found any takers. —Fred A. Blunt, Harbor, Oregon.

A letter signed, Bud Cross, stating his appreciation to his workmen and people of this county will be held over until next week because of lack of space.

Mesdames Eva Lee Long and H. W. Browman flew to Portland Sunday on a buying trip for the store. They returned Wednesday.

### Host To Many

(From Page 1)

each, the burden will be spread over the community generally, and make every buyer conscious that this is his own project.

If you haven't bought a button, please do so now.

#### BARBECUE

Now in regard to the barbecue. The custom has been to make it free. This year the committee settled on a modest fee of 25 cents to assist in defraying the

costs. Twenty-five cents for a barbecued sandwich, plate of beans and cup of coffee! Sure, it is a bargain!

A lot of people and businesses have donated of their time and substance, among whom to date are:

Brookings Plywood, South Coast Lumber, Gadberry & Campbell, Coast Freight Lines, Jack Holmes, Claude Bowman, Fox Bros., Hanscam & Sons, Kerr Hardware, Brookings Feed & Seed, Art Crook, Sam Gott, Mack Malcolm, Vic Reynolds, Virgil Goldsberry, Morris Bros., Jerry Schroeder, Geo. Dalton Electric, Richard Scherer, Boy Scouts.

All the members of the committees (too many to name).

And please, if we have forgotten some one, YOU, too!

The high school girls' efforts in selling buttons is greatly appreciated and, too, those donating prizes for selling the most buttons, viz: Norma's Beauty Salon, Mincer's Jewelry, House of Shoes.

Acknowledgement is also gratefully made to the Garden Club, the Rotary Club, the Lions Club and the Chamber of Commerce for actively helping in the sale of buttons.

Let everyone get behind this festival, lighten the load and do his share to make this festival the finest success ever.

Work has progressed on Brimm's laundry building in spite of the weather.

# FOR CARS! FOR BOATS! FOR LINOLEUM AND WALLS!

# PLASOLUX

Yes, for cars, boats, bar tops, automobiles, walls, doors, floors, skis, linoleum, drain boards, wagons, shelves, furniture, woodwork, kitchens, bathrooms, laundry and everywhere you want a tough, LASTING waterproof finish, use PLASOLUX!
