**IMPORTANT NOTICE**

The county court has set a speed limit of 25 miles per hour on all county roads. This was done in the interest of safety and for the preservation of the roads. Please keep this in mind as arrests must be made for violations whether the roads are posted or not as they have all been posted and in some cases the speed limit signs have been removed or destroyed by the public.

**I.O.O.F. Began Ambulance Fund**

The ambulance association held a meeting Monday evening and accepted the resignation of V. A. Mendenhall Sr., who has served as secretary since Lucian Harvey resigned due to ill health. Both men served their community well.

Roy Brown has been accepted as a member and will carry on the work of secretary-treasurer.

It is with much regret that the Brookings Odd Fellows name was left out in last week's Pilot

as the organization that started the Community Ambulance fund. Much credit must be given to this charitable group of men.
