47th Ordinance Passed By Council

At the City Council meeting on Tuesday night Ordinance No. 47 was passed, making it unlawful to allow certain animals to run at large within the city limits.

Vehicles equipped with spiked or cleated wheels are also restricted, since this equipment damages the streets to such an extent that it is a problem to keep them in good repair.

Neighborhood Club To Honor Fathers

The Neighborhood Club held its regular monthly meeting at the home of Mrs. Ida Resser on Wednesday, May 3. Twelve members and two guests were present and enjoyed a lovely luncheon at 1:30 p.m.

In the meeting that followed each lady gave a favorite salad recipe after which Mrs. Blossom Behee led a discussion on "Stains and Their Removal."

The ladies also made plans to entertain their husbands at the Smorgasbord on Father's Day.

The remainder of the afternoon was spent visiting and sewing.

Appreciation

We wish to thank our neighbors and friends who so kindly gave their sympathy during our recent bereavement. The kind deeds, cards and floral offerings were much appreciated.

The current has sluiced a channel clean to bedrock.
