

Along Azalea Row News Left Over From Last Week

The June meeting will not be held on the regular date this month but has been set for the third Thursday, June 18. Weather permitting, it will be held in the garden at the Hurst residence on the Airport tract. The reason for postponing the meeting is that the State Convention at McMinnville is being held on the 9th, 10th and 11th and tentative plans have been made by Mrs. Grayshel, president, and Mrs. Hurst, president-elect, to attend. June 11th has also been chosen for the date of the Home Extension meeting at Gold Beach at which Clara Kerns felt it necessary to attend, together with the fact that Mrs. Warren Smith will also be out of town. Installation of the new officers of the Garden Club will therefore be held on June 18 instead of June 11 as scheduled in the Year Book.

Just received an interesting, informal note from Faye Sunderland, who was elected vice-president of our club last year and who had to resign when they moved to Gaston, Ore. She writes: "We had hoped to get down this spring but Roy was offered a job selling steel buildings and is having a fine time, but very busy as he has most of Oregon and part of Washington. I go with him once in awhile but just now it's too nice here on the farm and I am gardening and planting flowers, etc. Incidentally, you gals might be interested to know that I ended up president of a garden club after all! Not only president, but it is a new club and I was asked to organize it, so have really had a job on my hands. We are now Federated and our year books all made and we have had three meetings. We are 'The Gaston Topsoilers.' I am enjoying it a lot and have met lots of nice

Mrs. C. F. Campbell is in charge at the Dairy Creem while Herschel Chaney is away. No word as to when he will return, with his bride, from Kentucky, has been received. (Herschel, you can't expect a fitting welcome if you don't give those interested time enough to prepare.) Art Pierce accompanied Mr Chaney, but it was understood that he would not be returning with him.

Mayor Robt. Dimmick, Mrs. Dimmick, Bobby and Eddy, are on an extensive vacation eastward. They will visit the Grand Canyon and be back home by June 18.

The new Shep-Craft boat and motor that are to be given away during Lily Blossom Time are on display at the Shell station. Money from the sale of this boat is to be used for projects of community interest.

Mr. and Mrs. Carl James and family, Mr. and Mrs. George Arrowood and family, Mr. and Mrs. Raymond Clack and family, of Myrtle Creek, visited at the home of Mr. and Mrs. William H. Eickhoff over Azalea Festival.

Orville Dimmick will leave next Wednesday for Alaska by car in his new Chevrolet for a vacation. He will be accompanied by Mr. and Mrs. F. J. Pribble of Sacramento on the six weeks trip. They plan a wonderful trip of fishing and eating, tak-it easy. But Mr. Dimmick admitted that they would do the resting upon returning.

people. We are sponsored by the Forest Grove Garden Club and they installed us recently at one of their meetings with the Flower Installation ceremony.

"We have done quite a bit of remodeling to our old farmhouse, have three acres of holly started and think we will be right here from now on."

Their address is Rt. 2, Box 203A, Gaston, Oregon.

So—our loss was definitely Gaston's gain, and it appears evident that Roy and Faye would be most happy to have any of their Brookings friends to drop in on them. Gaston is just a short distance from Forest Grove.

Power Situation Discussed By Pomona Grange

Pomona Grange met at the Chetco Grange hall Saturday, June 6. A large delegation from Del Norte county was welcomed and Jo Foss of Coos county also attended. The Chetco fifth degree team initiated eleven candidates into the fifth degree in a very beautiful ceremony.

The highlight of discussion in the meeting was the curtailment of appropriations to complete the development of the power program for Southwestern Oregon. Several telegrams have been whizzing back and forth between Curry county and Washington, D.C., in the interests of the power program. A strong resolution passed this meeting will be forwarded to Medford for consideration by the State Grange in session.

It was explained by men who are in a position to know what it is all about that every cent, with interest, that is appropriated by the congress for the development of the power program is eventually paid back out of the revenue from the sale of power.

Lions Auxiliary Makes Plans

The Lions Auxiliary held its regular meeting Friday, June 5 at the Chetco Inn. Boots Shipley, Ruth Redfield and Laurel Phetyplace are delegates to attend the state convention in Klamath Falls.

The auxiliary is to hold a food sale Saturday, June 20, at Hi-way Market, next to Dairy Creem. A going away hanky shower was given for Arlene Sar-

geant, who is moving to Grants Pass in the near future.

Next meeting is to be on Friday 19.

Mr. and Mrs. Milton Foster are among the many from here taking in the meeting of the State Grange at Medford this week. From there they are heading into Eastern Oregon and across Washington on a leisurely trip.
