Scouts Solicit Goods for Auction

Lack of help and bad weather have held back our committee on picking up items for our JAMBOREE AUCTION. So we have had to postpone it to an indefinite later date. We have considerable stuff on hand to sell or auction, but not enough to engage a hall and have an auctioneer do his stuff.

This committee would like to ask the public to cooperate with us by helping this way: If you have any items you want the SCOUTS to have for this occasion, please drop a card to one of the committeemen, listed below, or bring into the AZALEA GARAGE, Main Street, Brookings, care of John Darger. We will be glad to pickup and store items until time of auction.

This committee has had a big job of sponsoring these five boys for the NATIONAL JAMBOREE FOR BOY SCOUTS in Southern California. We need only \$240.00
