

### School Grounds Get Face Lifting

(Continued from Page One)

Coleman, Jim Nierman, Neil Nelson, Charles Echols and Harold Crump. Floyd Swearingen is coordinating the work on the project.

The existing baseball diamond will be used for the remainder of this season. If a new high school building is constructed it will be necessary to vacate the present baseball field and move to the new area which the baseball enthusiasts are preparing for use as a playground.

Later this summer, voters will be asked to approve a bond issue for construction of a new high school building. This new building will relieve the congestion in existing facilities and permit the school system to return to a one-shift basis.

#### THANKS

To Elmer Bankus for the donation of his cement mixer and to Roy Pollard for the use of his chain-saw post hole digger we say, "Thanks."

This mechanical assistance helped us to do a better job quicker in getting the street signs all up in time for the Lily Festival.

### Honzels Attend Sons - Daughters Double Wedding

A nuptial mass celebrated in Sacred Heart Catholic Church, Klamath Falls on June 27 at 10 a.m. witnessed the double wedding ceremony of the son and daughter of Mr. and Mrs. Andrew Honzel Sr. of Brookings. Miss Phyllis Honzel became the bride of Dr. Edward Raitano, son of Mr. and Mrs. Arthur Raitano of San Francisco and Miss Beverly Young, daughter of Mr. and Mrs. Thomas Young, Klamath Falls, became the bride of Andrew Honzel Jr.

The Senior Honzels attended the wedding and reception. They are at home in the Ben Kern house on the coast. Mr. Honzel is general manager of the Brookings Plywood company.

### Dodge-Plymouth Announcement

C. "Ed" Dempsey announces the dealership this week of the new Dodge-Plymouth car.

On page 7 can be found the picture of the garage and showroom that is nearing completion. Mr. Dempsey plans for an official opening date soon although he has been doing business for a number of months there.

### Fair Princess Contest Coming

Again this year a contest to select a Fair Princess from the southern part of Curry County is being conducted by the Chetco Grange. It is hoped that several organizations will sponsor girls for the contest. These girls must be High School girls, sixteen years or over, and only one organization can sponsor a girl. The Fair Princess will be announced at a dance to be held at the Grange hall August 8.

The three Princesses from the various parts of the county are the guests of the Fair Board at Gold Beach for the three days of the Fair, and take part in many of the Fair activities. They are also given a trip to the State Fair. Spending money for the three days at the Fair is furnished by the local Grange.

While most organizations have been contacted about sponsoring a girl for this contest, if any organization which has not been contacted wishes to sponsor a girl, they are welcome to do so, and are asked to write Mrs. Kathryn Foster, at Harbor. It is desirable to have all the candidates have an equal chance, and as the contest is to start next week, the names of all candidates should be sent in this week.

Last year, lots of interest was shown in the contest and the Fair Princess, Pat Hyland, was the winner by just one vote over the runner-up, Margie Freeman. Pat reported having a wonderful time at the County Fair and also on the trip to the state Fair at Salem.

### Crescent Family Get Child and Car

Mrs. Perry Lockwood, Jr., Crescent City, won a 1953 4-door sedan Saturday evening with the total of ten dollars worth of tickets. The car was given away by St. Joseph Catholic church and was accepted by William Lockwood since his wife was in the hospital having given birth to a nine pound ten ounce daughter.

The money raised by the church will be used in the build-

ing fund for the grammar school which is expected to be ready for occupancy the fall of 1954.

It was difficult to understand if Mr. Lockwood was more excited over the arrival of a third child or having a new car.
