

Scouts Chosen For Order of Arrow

The activities of the Scouts at Camp McLoughlin were highlighted by Bobby Dimmick and Dick Fadling being chosen for membership in the Order of the Arrow.

The purpose of the Order of the Arrow is to recognize Scouts and Scouters who best exemplify the Scout oath and law in their daily lives, and by such recognition cause other campers to conduct themselves in such a manner as to crystallize the Scout habit of help to warrant recognition, and to fulness into a life purpose of leadership in unselfish service to others.

It is believed that these two boys are the first from Brookings to be so honored, and we hope to add to this membership other boys from the Scout troops in this community.

Lentz and Son Log Bucking Champs

Ben Lentz, who has been champion log-bucker of Oregon, is now grooming his son Mervin for the same job. Mervin took third place Sunday, Aug. 9, at Sutherlin in a log-bucking contest and tied at Roseburg for first place and won first at Coos Bay—will enter others both in Oregon and California. These men do their sawing with hand-saws and have all the finesse of the old time sawyer. Shades of Paul Bunyon—It takes a man to hold the championship.

Governor Thanks All-Year Group

Governor Paul L. Patterson enjoyed his trip to Brookings. He said so in a letter received by the All-Year Events Association this week, in which he thanked them for the courtesies extended his family while he was here.

The Governor congratulated the Association on the program produced during the Lily Blossom Time Festival, and said he looks forward to seeing our Azalea Festival.

POLIO PRECAUTIONS

Gamma Globulin—obtained from human blood—gives protection for a few weeks. However, it is in **VERY SHORT SUPPLY.**

A vaccine is not ready for 1953. But there is hope for the future.

Meanwhile—when polio is around—follow these **PRECAUTIONS.**

DON'T mix with new groups

DON'T get overtired

DON'T get chilled

BUT DO keep clean

THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

White Store Has New TV Tower

A new television antenna graced the Brookings skyline this week, as White Appliance Company raised their new tower.

Total distance of the White tower is about 115 feet from ground to tip. The tower itself is 85 feet high, with the antenna above that.

The tower is mounted on a rotor, so that it may be changed to receive various channels. The Whites are experimenting with Channel 3, Medford, at the present time, but have had disappointing results, primarily because Medford is operating without an antenna as yet, and on only one-fifth power.

Local News

George Berger graduates this week from Army training Alaskan Communication Service school at Seattle. He is expecting a furlough before being assigned for further duty. George is enjoying the Army training a great deal, according to the report given by his parents, Mr. and Mrs. Carl Berger.

Since Frenchy Arrell hasn't come home there is some conjecture as to why. A certain element feels that there is no doubt that he is being detained by force to bring about such a condition.

Brookings Harbor Pilot 7 THURSDAY, AUGUST 13, 1953

Frankie, son of Mr. and Mrs. Paul Peterson, celebrated his birthday Saturday with a beach party on that day.

Spaces are being painted on the curbs this week to designate where parking is not permitted.

Lynn Harold, son of Mrs. Cole of the Avis Beauty Salon, was given a 30-day furlough from his station in Hawaii and is at the home of his mother. Mrs. Cole spent most of last week in Portland relative to medical care for her daughter, Roberta.

BAPTIST COMMUNITY CHURCH

Hear Dr. Charles Durden

SUNDAY, August 16 — 11:00 A.M.
