By MARION BROOKS

Flora's Willow Club met with Doc'a Sweet Thursday afternoon with Clara Erwin acting as co-hostess. There were three guests present, Leta Hoggatt, Arlene Kerber and Mabel Marlowe. All three joined the club. Arlene thanked the group for sponsoring her as fair princess. Two members, Pauline Walker and Dolly Nilsen were reported ill and cards were sent to them. The next meeting will be the 10th of September at the home of Eva Cope. Marion Brooks is cohostess.

Dick Barklow, chairman of the Langlois school board, said Monday that work on the grade school grounds was progressing nicely. The grounds are leveled and a new turn-around road opened to the highway. A new coat of paint was given the interior of the grade school. This was a part of the contract to paint the interior that could not be completed before school last year. The kitchen has also been repainted. The board expects the merry-go-rounds to be set this week. All teachers are hired for the grade school. At Langlois Hi work has been started on an addition consisting of one new class room, a health room and library. Also work will be done on the gym. One teacher is still to be hired.

In keeping with these improvements being made at our schools, Mr. and Mrs. Lex Cope are brightening their home with a new coat of paint and the Langlois Community Church has started the foundation of the much-needed new church. The Glen Noble building is rapidly taking form and will house three office buildings downstairs and two modern apartments upstairs.
