**Graggs and Hanks  
Have Neighborhill**

The Neighborhill Club met August 5 at the Hanks home with Mrs. Muriel Gragg and Mrs. Mary Hanks as cohostesses. Fifteen ladies attended, including two guests, and one new member.

A delicious salad luncheon was enjoyed by all at 1:30 p.m.

The regular procedure of business was omitted as several members told some of the interesting highlights of recent trips they had taken

These included Mrs. Harriet Hamness' trip to northern Minnesota and Mrs. Alvin Eickhoff's trip to the midwest via Yellowstone Park and the South Dakota Black Hills.

Mrs. Leora Stewart not only gave an interesting account of her trip to Alaska but brought back some unusual plants that the Alaskan people use in making pictures and other home decorations. She explained how it is done.

At the next meeting Mrs. La Rue Ziegler will demonstrate "painted" embroidery for scarfs, towels and other linens. We hope to get some good ideas for gift making.

**Just About Folks!**

Mr. and Mrs. Barnard Mathews are going to be living in Gilroy Calif., this winter. Mrs. Mathews will teach fourth grade there. After lily harvest Mr. Mathews will join her. Mrs. Mathews returned last week after completion of the summer term at San Jose State College. She found the observation and demonstration school most interesting.

Mr. and Mrs. Bert Tolman, Petaluma, visited Mr. and Mrs. Alvin Buchanan last week. While here they took a trip to Crater and Diamond lakes. Mr. Tolman was in the trucking business here about 27 years ago.

Dr. and Mrs. Tomm, Grants Pass, visited this area over the week end on their vacation. They called on Florence Buchanan and other friends while here.

Mrs. Vern Smith has graciously allowed the use of her home to Mrs. Dewey Akers and children during her absence. The foundation was poured for the small house yesterday which the Akers will occupy. An addition will be made to the small cabin that was not destroyed by fire March 30. Roy Brimm's trailer that the family used was removed to the Brookings Trailer Court Monday and will be used by Mr. Brimm's parents, Mr. and Mrs. Ed Brimm.

Magazine subscription peddlers are becoming a pest, more brazen than ever. If you live in the city of Brookings, for your own and your neighbors' benefits, you should immediately get in touch with the police, regardless of what the peddlers say. They are violating the city ordinance prohibiting solicitation of any kind—the Green River Law, which prevails in this town.

Vern Cross tangled with a power lawn mower and came out second best—slit a Tom toe.

While most of the rest of Oregon has been sweltering, Brookings has been delightfully cool and the humidity has been tolerable. Almost all the days there have been high fogs and many of the evenings were shut in from ocean mists—quite cool, at times.

Mr. and Mrs. George Mateer of Gold Beach, coming north through the redwoods, Friday evening, played crinkle fenders with a truck trailer and a sequoia. George and Irene have the evidence to prove it. Neither was hurt.

Our esteemed fellow-citizen, Joe Gallagher, took a long walk out in their back alley, recently, after a long, hard pull. There's talk of a foot race between him and Mickey Gould.

**Garvin Boys Meet  
In Japan**

Cpl. Vern Garvin of the A.A.A., stationed in Okinawa and his brother Pfc. Walter Garvin, 7th Cav. Regt., in the Far East, met in Tokyo while on furlough recently. Mrs. Doyle Garvin, the boys' mother, had the news when the boys saw one another for the first time in 11 months. They saw Melvin Miller of Smith River during their furlough in Japan.

The boys attended school in Brookings when their parents were residents here for some years.
