who was typed last week.

Oldest known so far is Doc Stevenson, who was typed at the Rotary Club. Doc is 84 years old.

Chairman Frenchy Arrell emphasized that residents of the area of all ages should be typed. Although children can not be donors, they may be in need of blood at some time, and the information gained at the bank may be instrumental in saving their lives.

Volunteers of the Veterans of Foreign War Auxiliary, who are taking care of the stenographic work, were asking for some help this week. Two women, Mrs. Clara Govke and Mrs. Henrietta Dill have been carrying the load, and they need help from their fellow auxiliaries (new word).

It is hoped that the great majority of local residents will have been typed by the time the project is completed.

Auxiliary Has Lunch

The American Legion Auxiliary will be sponsors of a dutch luncheon, to be held September 14, at 1 p.m. at the Chetco Inn.

Entertainment and special guests are planned for the event. Reservations are in charge of Mrs. Ruth Redfield, Brookings.
