

HARBOR NEWS

Mr. and Mrs. M. A. Jaklewicz, parents of Merce Jaklewicz, and Mrs. Frank Skipworth, all of Aberdeen, mother of Mrs. Jaklewicz, attended the wedding of their grand-daughter, Miss Connie Jaklewicz last Saturday and spent the weekend here. Other out-of-town guests were two of the bride's aunts, Mrs. Allison Garity Jr. of Aberdeen and Mrs. George Brannon and four children of Ocean City.

Mrs. Hattie Mackey underwent an operation about ten days ago at the Curry General hospital in

Gold Beach during which the big toe of her left foot was amputated and other surgery done on the leg. A few years ago she had her right leg amputated above the knee, and has been having trouble with her left foot for the past several months.

Another well liked Harbor resident, Ben Kennedy, is undergoing medical treatment at the Curry General hospital. His brother, John Kennedy, flew from Detroit, Mich., to visit him, arriving Saturday and leaving Monday. J. G. Smith, in one of whose cabins Ben had been making his home, took Mr. Kennedy around while he was here.

Local Groups to See Cancer Films

Mrs. Roy Wiedeman, local commander of the American Cancer Society, has brought to our attention the educational work this society is doing both nationally and here in Brookings.

Locally, films illustrating important information about cancer will be shown to various groups.

On October 8, the PTA will see one on breast cancer, and on October 13, the Rotary Club will see "The Warning Shadow" which deals with lung cancer in men.

The Lions Club and the Azalea Garden Club will also see cancer films in October. Dr. Paul Rogniger will be present whenever possible to answer questions.

On a national level, attention is being called to an article in the Better Homes and Gardens magazine for October and one in the Country Gentleman for September explaining the seven danger signs which are:

1. Any sore that does not heal
2. Any lump or thickening of breast or elsewhere
3. Unusual bleeding or discharge
4. Any change in wart or mole
5. Persistent hoarseness or cough
6. Persistent indigestion or difficulty in swallowing
7. Change in normal bowel habits

Smith River Has 4-H Achievement

The annual 4-H Achievement night was held Monday night at the Smith River Community hall, with Smith River club hostess for the affair. 4-H members from three clubs, Klamath, Fort Dick and Smith River put on skits depicting 4-H club work. Their program was concluded with a candle lighting ceremony by Fort Dick club.

The boys and girls were awarded achievement pins for completing their club work during the year. The V. K. Meedom and Buskner plaques were awarded by Howard Griffin to the outstanding boy in club work John Van Dusen, of Klamath, and V. K. Meedom awarded the Meedom plaque to Carol Sage, also of Klamath.

4-H Club Adviser Harry Walt Fieg of Eureka was unable to attend because of illness.

Farm Adviser Harry Tucker of Eureka, who was 4-H Club leader in Del Norte and Humboldt counties, was present for the meeting and showed colored slides taken of the boys and girls showing their stock to be judged in the showing.

At the close of the evening program cake, ice cream and pop was served.

SMITH RIVER WOMEN TO MEET FRIDAY

The Smith River Women's Club will be hosts for Del Norte County Federation of Women's Clubs to be held Friday, Oct. 2, at Community hall. Luncheon will be served at 12:30.
