By not looking at this 3-bedroom home with large work shop and garage combination. Close to school. Extra large city lot. Fine soil for large garden and play yard for the children. Excellent neighborhood. As we said before terms can be arranged. Be sure to see this one before buying elsewhere.

If you are looking for a real nice house trailer at a down-to-earth price of only \$600, let us show you one the owner has just listed. You will see plenty of value here for the money. Will also sell you a good lot to go with it for only \$50 down and \$25 per month. Sure beats paying rent.

**4-H Teaches Responsibility**

4-H boys and girls learn lessons of responsibility through caring for animals or helping with household tasks. In this reproduction of the 1954 National 4-H Calendar painting, Big Sister interrupts her sewing to watch a lamb at lunchtime, while Little Sister—a potential 4-H'er—looks on with interest. On 4-H Achievement Day, November 14, young people who have "learned by doing" receive the plaudits of their communities as an encouragement to further accomplishment.

**Stupid Prank Played By Juveniles**

A cruel and foolish prank was played last week by local juveniles on Mrs. W. W. McNabb.

Mrs. McNabb was called to the phone by a voice which asked her to identify a tune being played in the background. When she did so, the person said "You have just won 25 records from the Tele-test program!" and hung up.

A few days later she received a letter, saying it had been a joke.

The letter, obviously by not-very-bright juveniles, has been turned over to school authorities for a handwriting check. If identified, telephone authorities will step into the case, since such use of a phone carries severe penalties.

**SMITH RIVER**

There will be no news from Smith River this week because Mrs. Ethel Goodlin, the Pilot's Smith River correspondent, is in Santa Rosa, attending the state Grange convention, and we had no notice in time to make other arrangements.

**Sunday Concert Numbers Listed**

Sunday's concert should have a wide appeal as the music presented will range from a group of folk songs to several operatic selections. Included are Un bel di Vedremo from Madame Butterfly and Vissi d'arte from Tosca, both by Puccini, and My Man's Gone Now from Porgy and Bess, by Gershwin.

Assisting at the piano will be Stanton Carter who will play two solo numbers.

**THREE LOCAL HUNTERS BRING BACK DEER**

Art Bollinger, his brother-in-law, Charles Stevenson, and his grandson, Jimmy Carte left last Friday morning for Lakeview, after deer, and returned Sunday. All three got their deer.

On their way home they encountered a snow storm in the Bly area, with four inches of snow falling in an hour.

They report that deer were plentiful in the Crooked Creek area northeast of Lakeview.

**How Long Did It Take To Court Your Wife?**

Did you just see her on Chetco Avenue, walk up, ask her to marry you, and head for the minister . . . just like that? We'll bet you didn't! It took a lot of calls, a lot of planning, and the expenditure of lots of time and effort before you wore down her resistance.

It's the same with advertising. You don't hit 'em over the head and drag them in with one ad. . . you have to woo them for a considerable time. But it pays off. . . look at your wife and decide for yourself.
