Free Diamonds from MINCER'S

Choose a diamond from the bowlful of stones
at Hiway Market, and bring it to
MINCER'S JEWELRY

We've scattered several genuine diamonds thru
the bowl. If yours is genuine, we'll help you
select a beautiful setting for it.

If it's one of the imitation diamonds, we'll still
give you a twenty per cent reduction on any item
in the store — just for bringing in the diamond!

Fair trade items excepted.
