

**Diamonds — Diamonds
Who's Got the Diamonds?**

Some lucky people who don't know their luck are walking around Brookings with diamonds in their pockets.

At the Hi Way Market last week Mincer's Jewelers gave away five diamonds, each worth about \$75.00. One of these was found by Mrs. Wm. J. Tobin, wife of the elementary school principal, one was left in the bowl at the end of the sale.

What Mrs. Mincer wants to know is, "Where are the other three?"

If you haven't taken yours in to be checked—better get down there. That "piece of glass" you have just may be a diamond.

Several appropriate games were played, with two of the prizes won by Mrs. Lennie Ames, and the other by Miss Susie Tierce. Many nice presents were received by the honored guest, and the hostesses served delicious refreshments to climax the evening.
