

Steer Calf Sale Listed For 4-H

The Oregon Cattlemen's Association will make steer calves available to 4-H and FFA members at their 2nd Annual Fall Feeder Sale at Corvallis on November 4. The program the association has undertaken is an attempt to make top quality animals available to youngsters at a minimum price. A drawing will be held on November 4 at 1 p.m. which will allow 4-H and FFA members to choose calves in the order in which their names are drawn.

The boys and girls will be charged a price set by a committee of three which will be no more than 1½ cents above the top priced calves sold through the ring.

These top quality calves will be withdrawn from consignments for the 4-H and FFA sale prior to the main feeder sale on November 4.

Boys and girls interested in purchasing animals should ask their 4-H and FFA leaders to notify Jim Elings, Livestock Extension Specialist at Oregon State college immediately so that the association will know approximately how many calves should be made available.

Mr. and Mrs. Lloyd Moss left early this week to spend the winter at their home in Corona Del Mar.
