

Boxing, Wrestling Matches To Be Staged at Gym Friday Night

Boxing and wrestling will take the center of the athletic stage Friday night, as the student body of Brookings-Harbor High School present a full evening of both.

Nineteen bouts are on tap for local people, in what should be about three hours of entertainment. The opening bout starts at 8 p.m., at the school gymnasium. The complete card will see ten three-round boxing matches, ranging from lightweights to heavies, a free-for-all match, and seven wrestling bouts.

Tickets to the smoker are being sold by students, with general admission also available at the door.

DANAS HERE

Mr. and Mrs. Marshal Dana, part time residents of Brookings, returned last week for a few days here.

Mr. Dana is assistant to the president of the U. S. National Bank of Portland, a position which interferes seriously with his wish to spend all his time in Brookings.

Sewing Box Meets

The Brookings Sewing Box Four-H Club held their regular meeting last week at the home of Mrs. Luella Fitzhughes. President Sharon Johnson presided.

The pledge to the flag was led by Marilyn Hale, and the Four-H pledge was led by Virginia Bishop. Members of the club finished the head-scarfs which they had started the meeting before, and learned how to sew on buttons.

KETERERS BACK

New residents here are Mr. and Mrs. Jack Keterer from Los Angeles. They live on the Dawson Tracts. The Keterers are not strangers here for they have been here off and on for years during which time Mr. Keterer has built an attractive residence. Mrs. Keterer has been in business in Los Angeles and they have been here about a month. Mr. Keterer is a brother of Mrs. Arp.

MRS. MACKKEY ILL

Mrs. Hattie Mackey, mother of Claude Wright of Brookings, is seriously ill in a Gold Beach rest home.

Highway Crews Install Guards

State Highway crews this week were busy installing new guard rails along Highway 101 in the area just south of Harbor.

The new rails are of a spring mounted metal type, and protect edges of the roadway where the road is above the surrounding terrain.

Crews have been working on the guard rails for several days in this area.
