

## HARBOR NEWS

Mr. and Mrs. Dewey Oliver Jr. and Dewey Oliver Sr. have moved from the Vogel ranch on the Winchuck to the Don Crockett place, also on the Winchuck, and the men will be employed on the Crockett dairy ranch. The Olivers have been in charge of the Vogel ranch for the past three years. Mr. and Mrs. Leo Lucas have taken over the running of the Vogel ranch and will move there to live in the near future.

Mr. and Mrs. Don Van Wymen are houseguests of Mrs. Van Wymen's sister, Mrs. Sam Dotson and family for a few weeks. They have been in Mexico for the past three years doing missionary work, and will be stationed next in Peru after a vacation in this country.

Mrs. Blanche Maney arrived from DeSmet, S. Dak., where she has been for the past year, and will again make her home with her son, Roy Newman.

Jack Tungate returned to Medford Sunday with his son Bud Tungate who spent the weekend here visiting.

Mr. and Mrs. Ralph Hooker had a narrow escape from a bad accident Saturday morning when they were driving down the Harbor hill and a car came out from the camp ground road without stopping, right in front of them. Mr. Hooker put on the brakes, which put the light truck into a spin on the slippery road, going around several times it seemed to him and his wife. It came to a stop on the lower road, but the rear end was over the bank and it slid down backwards onto the soft ground at the foot of the bank. Except for a good shaking up and a scare, neither one of the Hookers were hurt, and all the truck needed was a tow car to get back on the road so that it could drive off under its own power.

Wes Smith left Sunday on a three weeks trip which will take him to Everett, Wash., LaGrande, Ore., and Pomona, Calif. to visit his three daughters and their families. He will make the trip from LaGrande to Pomona by rail, via Salt Lake City.

E. B. Mathews left the first of the week for Gilroy, Calif., to join Mrs. Mathews who has been down there since the start of school.

Mr. and Mrs. E. L. Rigdon and their houseguests, Mr. and Mrs. W. A. Hammond left recently for the Rigdon home on the banks of the Rogue river south of Grants Pass, after being here for several months.

Mr. and Mrs. Ralph Wallace left recently for Santa Ana to make their home. Mr. Wallace plans to re-enter the landscaping business in partnership with Mrs. Wallace's brother, who is in the seed and flower business in that city.

Raymond Reekman wrote his mother that he had the surprise of his life on November the 7th in Hong Kong when Verne Garvin came on board his carrier, the Yorktown, and looked him up for a visit. Verne, who is with the army, was on a 12-day vacation trip from Okinawa on a navy boat when he heard that Ray's carrier was in port, so the two enjoyed a re-union.

## Volunteers Work On Scout Home

Members of the Boy Scout building committee will again attempt to begin operations on the building this Sunday.

Included in the group will be a troop of Explorer Scouts who have volunteered to help build their future home.

Volunteers are needed to begin digging footings for the new building.

Curry County joined in the growing list of firms and individuals who are helping make the building possible. Pete Tierce, in charge of maintenance here, sent several loads of gravel to the site last week to make the driveway accessible, and to begin filling beneath the building slab.

Blaine Gribble will be in charge of the crew working on the footings Sunday.

## GOC To Be Reactivated

A reactivation meeting of the Ground Observer Corps will be held in one of the schoolrooms at the High School Friday night, Nov. 20, at 8 o'clock.

Sgt. Dunlap from Eureka will be present as well as interested local people.

Sgt. Dunlap is now on full time permanent assignment to the Ground Observer Corps in northern California and the Brookings-Harbor area.

Incidentally, they are still looking for asbestos shakes so if you have some surplus they would be greatly appreciated.

Anyone interested in finding out more about the Ground Observer Corps and the vital service they perform is urged to attend this meeting.

## Rotarians Meet Four-H Members

The Brookings Rotary Club took a look this week at four participants in the county's Four-H program. . . and liked what they saw.

County Agent Ken Priest introduced the four to the club, who last week had sponsored Achievement night here.

Present were Marvin Pettigrew, the Four-H lad who had captured the Rotary Club's calf in the last county fair; Jeanette Thompson of Langlois, Vesper Belle Baylor of Gold Beach and Patricia Kerber of Port Orford.

Ken Priest told the group that 298 kids participate in Four-H in this county, and repeated the statement that a Four-H club member has never been a Juvenile Delinquent.

And, as he told the group, the four there were "prime examples of good future American citizens."
