Historical Group At Smith River

The Del Norte Historical Society met at the Smith River Community Hall Saturday night, Nov. 21, with a good attendance in spite of a steady downpour of rain. Mrs. Grace Hight was chairman, assisted by other members of the society from Smith River.

A potluck supper was served, with the tables being decorated with orange crepe paper and orange candles carrying out the Thanksgiving motif.

The mantel was decorated by Mrs. Paul Maris using the harvest theme, a cornucopia filled with various fruits, and red berries completed the decorations.

Mrs. Esther Smith presided at a short business meeting.

Community singing was enjoyed by all. Mrs. M. Kerr and Mrs. Stevens, both of Gasque, were pianist and song leader, respectively.

Mrs. Smith appointed several committees, one being land-mark committee to get data on the historical buildings. Guest speaker for the evening was Alexander Lake, noted author now living at Pelican Bay. He told of his experiences hunting wild game in Africa. He recently wrote a book "Killers In Africa."

Mr. Lake was questioned by those present as to hunting big game in Africa.

There will be no meeting in December, the next meeting being in January, when Miss Betty Hancock from Orick will be guest speaker. She will talk on marine biology of the northwest shores.
