Satellite Club Elects Officers

Ethel Jackson was elected president of the Satellite Social Club at its regular meeting last Wednesday. The meeting was held at the home of Aggie Bickner.

Vice-president of the club for the coming year will be Rose Hibbard. Ann Nelson was named secretary-treasurer.

Primary business of the meeting was the planning of the spring fashion show, which is to be held in the future. Members of the committee will name the date of the show soon.

Submarines have been invented which were propelled by oars, treadles, hand-operated screws, clockwork, springs, steam stored in tubes, chemical engines, compressed air, stored gases and electric motors.
