

## HARBOR NEWS

Mrs. S. N. Fischer received word last Thursday of the death of her father, Paul E. Kemske from a heart attack, at Redlands, California. She and her husband drove over to Ashland, where she joined her sister from Yakima for the trip south. Mr. Kemske is well known here as he and his wife had made their home here for some time a few years ago. For the past few years they have been living in their trailer in the southern part of California most of the time.

Word has been received by relatives of the death of Mrs. Bud Thompson at St. Petersburg, Florida. Mrs. Thompson went back there about four months ago and has been with her daughter and son-in-law, Dr. and Mrs. J. A. Benson. Her husband joined the group a few weeks ago when she became critically ill. Besides her husband and daughter Mrs. Benson, she is survived by another daughter, Mrs. L. H. Kirtley, who is also in Florida at the present time, and a son, Robert, of Harbor.

Mrs. Beverly Sanders returned home recently after working for the past six months in Kalama, Washington. She expects her husband Dee, who is in Korea with the Army, to return to the states in May, and he will be discharged in July.

Mr. and Mrs. Harold Putnam and four children have moved to Anderson, California to make their home, as Mr. Putnam will be logging in that area for some time.

A. L. Hall, proprietor of the Hall Cabins above Harbor, is confined to the Curry General Hospital at Gold Beach, with a serious lung congestion condition and an enlarged heart.

Mrs. Will Tolman of Bandon is spending a week at her place here in Harbor.

Mr. and Mrs. Jason McCoskey

and son, Wendell, of Webster City, Iowa, were overnight visitors at the home of their nephew and niece, Mr. and Mrs. Clyde Braynard. The McCoskeys had driven out from Iowa to visit Wendell, who is stationed at an Air Force Base near Sacramento.

Mr. and Mrs. Kenneth Bailey and three son of Merrill are visiting this week at the Milton Foster and Howard and Leslie Ray homes. Mrs. Bailey is the former Lillian Ray and is well known here.

Alvin Woodruff had the misfortune of cutting off two fingers of his left hand with a Skilsaw recently. He is reported to be getting along all right, but it will be some time before he will have the full use of the hand.

Another accident involving the hands occurred to Frank Thompson, who suffered a finger broken in several places when it caught between the pulley and belt while repairing the automatic washer at his home. The finger is healing slowly, but it isn't of much help in doing plumbing or electrical jobs yet.

Pvt. Darrell Parker spent the weekend here with his mother, Mrs. Bernice Kinzer, returning to Fort Ord on Sunday. While here he also visited his sister, Mrs. Hazel Ray.

Raymond L. Reekman AN spent the weekend visiting his mother, Mrs. Milton Foster, and going around and saying "hello" to all his friends again after being in the Korean and Japanese area for the past six months on the carrier Yorktown. There was quite a welcoming committee of Shriners to meet the Yorktown when it docked at Alameda on March 3rd, as the men on the ship had a check for over \$25,000 which they contributed to the Shriners Crippled Children's Hospital fund. Another member of the Yorktown's crew known here is Robert Eckett, brother of Mrs. Wiley Jordan.
