

State Accepts National 4-H Award Program

The State Club office has accepted four national 4-H awards programs for participation of members in 1954, the National Committee on Boys and Girls Club Work has announced. The programs are Garden, Clothing Achievement, Poultry and Tractor Maintenance, in the last three of which awards have been changed.

In the 4-H Clothing program, four (formerly one) gold-filled medals of honor will be provided for winners in qualifying counties by the awards donor, Coats & Clark, Inc. As in the past, the state winner will receive an all-expense trip to the National 4-H Club Congress in Chicago. Also, 12 state winners selected for national awards will each receive a \$300.00 college scholarship.

Instead of five sterling silver medal awards to county winners in the 4-H Poultry program, four gold-filled medals will be provided this year by the Tractor and Implement Division, Ford Motor Co. Awards of an all-expense trip to the National 4-H Club Congress in Chicago for state winners, and \$300.00 college scholarships to ten national winners remain unchanged.

In the 4-H Tractor Maintenance program, the General Petroleum Corp. will provide four gold-filled instead of sterling silver medals of honor as county awards. The state winner will receive an all-expense trip to the National 4-H Club Congress, as heretofore. The national awards, however, have been increased from eight to 12 \$300.00 college scholarships.

Awards in the 4-H Garden program, which are provided by Allis-Chalmers, remain the same as last year—four gold-filled medals of honor, an all-expense trip to the National 4-H Club Congress, and eight \$300.00 college scholarships, to county, state and national winners, respectively.

All these national 4-H programs are supervised by the Cooperative Extension Service.

The last meeting of the "Pebble Pups" was held on Friday, March 12.

Members of the club are learning to identify rocks and are building individual collections.

The Zip-Zippers, 4-H sewing group, met Monday, March 8, at the home of Kathie Olsen.

Work was supposed to be finished and the aprons started before the next meeting on March 22. There is only going to be one or two more meetings.

There were no refreshments as Pam Kerr, who was to serve them was not present.
