Relax! It's Here

The date has finally been announced for the Spring Vacation. That glorious week is from April 9 to 19.

A lot of us have those so badly needed jobs to look forward to. Others have a visit or trip planned. Others, probably a majority, will be catching up on some badly needed sleep and merely enjoying ourselves.

This sounds odd, but some of us Seniors would rather skip this vacation and have graduation at a decent time this summer instead of the scheduled date of June 4. For us who are planning on college, that extra week of work will help greatly.

All in all, though, we are all looking forward to Spring Vacation.

FRESHMAN NEWS

A party soon. The date hasn't been set as of yet but plans are being made.

GAA LETTERETTES

March 3, the letterettes held a fudge sale at noon, the fudge was sold and every one enjoyed it. March 16 and 18 Mr. Harrison took their pictures for the annual.

ROUND THE HALLS

Karen Ritchey sprained her neck last week! Wonder how it happened!

The Junior class is buzzing around trying to figure out ideas for the prom.

The girls are all showing up at school in cotton skirts and blouses. Cameras are clicking everywhere.

All the boys are disgusted with the girls hair-dos—shorter and shorter.

If you see any student with an extremely worried look on his face you'll know it's a senior thinking about the nine weeks tests being taken lately.

That "Take Me Out to the Ball Game" song is heard all through school this month. Everywhere you look you see basebase mitts, cleats, and general baseball equipment.

Teachers and students alike are anxiously waiting for spring vacation to begin. Plans are already being made. Seniors are all taking tests for scholarships to different colleges. Everyone has been seeing how it feels to be shot since we have been taking those many, many pictures for the annual.

Mr. Girod enjoys algebra class most because it is the last one of the day! They are trying to solve simultaneous equations. The students enjoy the little daily quizzes he gives them about these problems.

JUNIOR NEWS

The Junior Class has selected the committees for the prom decorations, program, etc. Also all the committees for the banquet have been picked.

The Junior Class wishes to express their thanks to everyone who helped to make their Crab Feed a huge success. Thanks to all of you who came.

At last the date of the prom has been set. May 15th is the big evening for all those lucky Juniors and Seniors.

Brookings plays Bandon here Friday.

Navy Recruiter Visits School

Several students will be wearing the Navy blue in the future. March 4, 1954 Dean M. McDonald, Navy Recruiter, gave enlistment test to 8 students. Applications were made the following day.

Any one interested in taking the test or applying for enlistment can do so at the High School between 12 and 2 p.m. March 31, 1954.

SENIOR NEWS

The Senior class held a class meeting to decide upon class colors and class flower. The class colors are lavender and white with Lily of the Valley and Lilac as matching flowers.

This year as a little change, the Seniors have decided on individual mottos in the annual instead of just one for the whole class.

The orders for announcements and cap and gown rentals have been sent in so it is hoped that day is soon on it's way to us.

Some of our Senior boys and one Senior girl recently took Navy enlistment tests. It seems as though a few of them are doomed to help Uncle soon after graduation.

Chorus News

The girls chorus has elected new officers for the rest of the term. They are, President, Lois La Clair; Vice President, Bar-Murry; Treasurer, Sandy Willock; and Sargeant at Arms, Jo Ann Tyler.

The girls and Mr. Dick are planning a Spring Concert to be held sometime the first of April. Several quartets and trios are going to entertain also.

Several new selections are being prepared for the concert. Two of them are "Lullaby of Broadway" and "The Persistent Pigtail."

We have two new girls this week in our chorus, Joann and Laura Cross.

Tuesday, the 6th of April the Chorus is going to sing for the Rotary meeting.

DEAD ON YOUR FEET?

Do you suffer from fatigue, nervousness, poor appetite, digestive upsets, insomnia, constipation?

These symptoms if due to a vitamin deficiency occur only when daily intake of vitamins B₁, B₂, and niacin is less than minimum daily requirements over a prolonged period. In themselves, they do not prove a dietary deficiency as they may have other causes or be due to functional conditions.

The basic cause of your trouble may be iron-and-vitamin starvation over a prolonged period. BEXEL, the Special high-potency Formula, supplies supplementary quantities of iron for rich red blood... pouring new strength and energy into your entire body.

Each wonder-working BEXEL capsule gives you more than 5

times the daily minimum requirements of blood-building iron; more than the daily minimum requirements of all the essential B-vitamins plus Vitamin B₁₂ plus trace minerals.

For quick energy and a glorious new zest for living, get BEXEL Special Formula capsules—now at all drug stores.
