

COMMUNITY CLUB PLANS ANNUAL TEA

The ladies of the Harbor Community Club held their March 26th meeting at the home of Lois Peterson. Lea Morgan presided and Jesse Judkins acted as secretary in the absence of Viola Hanscam, who had gone to Portland.

The group discussed the finishing of several more lap-ropes for Camp White and laid plans for their Annual May Day Tea which is given each year for the benefit of the local public library.

Lea had no trouble in "keeping order" as she was using a new gavel, a present to the Club from Missouri Tolman, one of the out of town members, who possibly remembered that it is sometimes difficult to keep a group of women quiet and their minds on the business before the club. A note of thanks to "Zurie" for her thoughtfulness and help to our presidents in the future.

Hostesses, Tora Gustafson, Emma Waldien and Edith Newton served a delicious dessert and coffee. Mrs. Peterson surprised Mrs. Newton with a lovely birthday cake at the meeting and the ladies helped Edith enjoy it.

All members are urged to be present at the next meeting, which will be held in the Grange Hall, when the final arrangements will be made for the Library Tea.
