

HARBOR NEWS

Everyone who is eligible and desires to vote in the primary election on May 21st and is not registered, has until April 20th to do so. Being registered in the correct precinct is equally important and some of the residents on Gardner Ridge and in the Upper Chetco Country are apt to find that their registration in a Brookings Precinct is wrong. All the land above the North Fork Bridge is included in the Chetco Precinct, and those people living in that area should be registered and vote in the Harbor precinct.

Mrs. Charles Schaal and Wesley Smith made a trip to Eureka last Wednesday to bring Judge Schaal home after he had been at the Eureka Hospital for medical treatment for several days. He is feeling better at the present time but is under doctors orders to take it easy for some time.

Mr. and Mrs. Birger Dahlstrom and children and Mrs. Pete Strid returned home Thursday after attending the funeral of Mr. Strid in Klamath Falls on Wednesday. They were accompanied home by Mr. and Mrs. T. Beckman of Seattle and Mrs. Anna Hamalainen of Detroit, the two women being Mrs. Strid's daughters and Mrs. Dahlstrom's sisters. Mr. and Mrs. Beckman left for their home

the first of the week, but Mrs. Hamalainen will be here a couple of weeks.

Mrs. Marilyn Asher spent a brief visit here with her parents, Mr. and Mrs. Ray Struebing on her way back to Corvallis where she is attending OSC, after being with her husband in southern California for two weeks.

Pete Waldin returned home Thursday after attending the funeral of Pete Strid in Klamath Falls on Wednesday, and being one of the casket bearers.

Mr. and Mrs. Donald Payne, Mr. and Mrs. Steve Cate and Mrs. Slim Hodges were involved in a car accident early Sunday morning. A car coming toward them had a flat tire and smashed into them, causing most of them to suffer bruises and shock, but no serious injuries. The Mercury they were driving came off second best in the affair. Mrs. Hodges was the most seriously hurt, with a badly swollen knee requiring medical treatment.

Mrs. L. G. Stafford and Mrs. W. W. Wollam spent a few days in the Gold Beach area in the interest of the Bulb Growers Association.

It isn't every drill team that can boast of orchid corsages, but the ladies degree team of Chetco Grange were in that favored class when they put on the 3rd and 4th degrees at Ophir recently. Mr. and Mrs. Leslie Woodriff were the generous providers of the orchid corsages from their greenhouse, but that is nothing unusual for them, as they often bring many of their choice blooms with them to the Grange meetings also.

Mr. and Mrs. Henry Mosier and their daughter Mrs. Janice Felio have moved into their new home south of Harbor.

Harbor residents, and particularly those on the Winchuck, are proud of one of our young folks, Diane Bowlin, who has been named Valedictorian of this year's
