**Easter Services at  
Smith River Church**

Easter morning services were held at the Smith River Methodist church, Sunday, and were well attended. Sunday School was held at ten o'clock for all classes.

At the 11 o'clock service, there was a special Easter message by Rev. James Shelton. Special Easter hymns were sung by the choir, and a special duet, accompanied on the piano by Mrs. Jean Brown. The church was attractively decorated with Calla lilies and white spring flowers.

**SMITH RIVER**

By Ethel Goodlin

Mr. and Mrs. Alf Goodlin recently celebrated their 45th Wedding anniversary, on April 14. The Goodlins, both natives of the Smith River valley, are active in church, Grange and community affairs.

The couple received many cards, extending congratulations from their many friends. Mr. Goodlin celebrated his birthday on Easter Sunday.

Mr. and Mrs. Harold Horn and children of Klamath Falls spent Easter Sunday as guests of Mrs. Mabel Brown, mother of Mrs. Horn. All were dinner guests of the latter's son and family, Mr. and Mrs. Robert Brown of State Line.

Mrs. Alfred Loucks, pastor of the Smith River Assembly of God Church who underwent major surgery at Seaside Hospital, is recovering satisfactorily, and will soon return home.

Mrs. Agnes Maris, accompanied by her son and daughter-in-law, Mr. and Mrs. Robert Maris, went by Air to San Anselmo, where Mrs. Maris spent Easter with her daughter and family, Dr. and Mrs. Lloyd Tyler.

SMITH RIVER

**Easter Services  
Held Near Sea**

Early morning sunrise services were held Easter morning, in a lovely spot near Smith River overlooking the ocean.

Services were held at 6:30 a.m. Sunday morning, with nearly 300 gathered at the service.

Reverend James Shelton of Smith River Church, assisted by Rev. Noel Olsen of Fort Dick Community Church and Rev. Ed McClain of Brookings Bible Church conducted the service. The choir sang "He Arose," followed by the Easter message from Rev. Shelton.

The ladies of the church served breakfast to all, with Amelia Brown in charge of the coffee making. The setting of the services was beautiful as the sun arose over the mountains to shine upon the sea.

**BABY BORN**

Friends received announcement of the arrival of Harvey Milton, Jr., to Mr. and Mrs. Harvey M. Wallace Sr. on April 5. Harvey was born and reared here and is the nephew of the Foster Brothers at Harbor. He has spent past five years around Grants Pass and Medford.

**Driverless Truck  
Takes Tumble**

A sheepish Truck driver watched his truck roll backward over a forty foot drop Monday . . . without him in it.

The truck belonged to the Darnell Logging Company. The driver had stopped near the Chet-

co River bridge to pick up a binder change he had lost. After pulling off and parking, the driver got out to pick up his chain and looked up in time to see his truck disappear over the bank, to land on the Hewitt Anchorage site below.

Damage to the truck was principally to the rear end, with cat and dog tearing injury.

**THE  
TEST  
TELLS**

**A** test of the soil in any one of your fields will tell whether or not it needs liming—and, if so, how much to put on.

We would like to supply you with all the limestone you need because we know it will make you money. But we don't want you to waste money by applying it where it isn't needed.

So, don't guess — test. See your county farm agent or ASC office about how to take the samples and get them tested.
