Barbershoppers Attend Show At Klamath Falls

A large delegation of the Brookings Chapter No. 675 S.P.E.B.S. Q.S.A. drove to Klamath Falls on Saturday, April 10, for the Seventh Annual Parade of Barbershop Quartets, staged by the Klamath Falls Chapter.

The setting this year was a departure from the previous Parade, a Minstrel-Ade was included with outside talent from the Chapter to stage their show. The Minstrel Ade was carried along with the entire show, and of course had the end men attired in proper costume, the soloists did an outstanding job in their numbers. Our group enjoyed Mr. Carter who sang "Old Man River" with the Klamath Falls Chorus in the background.

The members attending the Parade from Brookings Chapter were; Mr. and Mrs. Cliff Bushnell, Mr. and Mrs. Bob Dick, Orville Dimmick, Mr. and Mrs. Fred Fox, Mr. and Mrs. George Funk, Mr. and Mrs. Charles Grayshel, Mr. and Mrs. Emil Moore, their daughter and baby, Mr. and Mrs. George Swanson, Mr. and Mrs. Luther Tisdale, other Brookings citizens who attended the show were Mr. and Mrs. Lloyd Fox, Mrs. Rose Poole, Mrs. Jeanette Pierce, Mrs. Ruth Bathiany.

All of our friends in Klamath Falls asked the same question. "When are you going to have a show in Brookings?" These Barbershoppers have a warm spot in their heart from the Brookings Chapter and the people of this community. They still talk about the show we held at the Pine Cone during the flood a few years back. No power the night of the show, roads washed out to the south, the Fox Bros., with their high wheel truck towing the Barbershoppers through the high water at Tryon corner. Portable light plant at the Theater and for the afterglow at the Grange Hall. That show did more to publicize not only Brookings Chapter but the entire Pacific Northwest District.

Democrats Top Registrations

New registrations in the Brookings and Ferrello precincts showed Democrats leading Republicans by a slim majority, according to Gladys Kanick, City Recorder.

Mrs. Kanick reported that in the last sixty days 92 Democrats and 88 Republicans had registered with her. There were four inde-

pendents and three non-partisans listed.

Mrs. Kanick's totals did not include but about twenty registrations, which had been forwarded to the County Clerk earlier.

From where I sit... by Joe Marsh

So They Stopped Baiting Each Other

If you want to hear a real hassle, listen to Cob James and Whitey Baker on trout fishing sometime. You'd think it was more important than anything.

Cob favors dry flies. Whitey pooh-poohs anything but wet flies. Cob swears by a Fan-Wing Royal Coachman; Whitey won't hear of anything but Silver Doctor. And so it goes—they can't even get together on steel rods versus bamboo rods.

But on Saturday, each got back from Fox Creek with a catch that couldn't have differed by more

than a couple of ounces! Then over a friendly glass of beer, they allowed as how maybe they were both right . . . which is how so many arguments should end.

From where I sit, life would be a whole lot pleasanter if we all respected one another's opinions—whether about trout flies, or having a glass of beer, or voting. After all, a person has a right to follow his own line of thinking.
