The No. 1 goal of the American Cancer Society during its annual cancer crusade during April will be to bring the 7 cancer danger signals to the attention of every person in Oregon, William B. Feldenheimer, Oregon crusade chairman, has stated.

Medical science has shown that many cases of cancer can be cured if there is early diagnosis and treatment, Feldenheimer said, in urging everyone to acquaint themselves with the danger signals, which are as follows:

1. Any sore that does not heal;
2. A lump or thickening in the breast or elsewhere;
3. Unusual bleeding or discharge;
4. Any change in wart or moles;
5. Persistent indigestion or difficulty in swallowing;
6. Persistent hoarseness or cough, and

**SIX TEAM SOUTHERN OREGON LEAGUE
FORMED; BEAVERS TO OPEN PRACTICE**

The Brookings Beavers will play in a six team Southern Oregon League this year, following final plans made at a Roseburg meeting.

Pete Lesmeister, Business Manager for the Beavers, brought the word back from the meeting.

The new league will consist of Roseburg, Grants Pass, Medford, Drain, Coquille and Brookings. Coos Bay and Bandon, members last year, will probably play independent Semi-Pro ball.

Not more than three ex-professionals will be permitted to play with any team in the reorganized league, Pete said. The

change will probably give a better balanced league than last year. All members except Brookings will play one game Saturday night and a second one Sunday. At Brookings, games will be Sunday doubleheaders.

Pete's rebuilt and relocated Beavers will open at home May

30, entertaining Grants Pass. The Beavers will play on a diamond now being constructed near the Plywood plant, while work is being carried out on the new school. Practice for the Beavers will begin April 25th. Pete has most of his squad lined up at the present time with plenty of prospects for a first division club.
