

## Top Bowlers Expected For Brookings Bowlings Tournament

Entries close May 8 for the first annual Brookings handicap bowling tournament to be held at Azalea Lanes this month, according to Glen Rogers.

The tourney will be bowled on May 15 and 16, May 22 and 23, May 29 and 30 and June 5 and 6.

A full field of bowlers is expected for the tournament, which will be one of the richest of its size, according to Rogers. Over \$700.00 in prize money will be given to the bowlers entering the tourney.

This compares very favorably.

Rogers said, with awards for tournaments in other cities of much larger population.

Great interest in the tournament is being evidenced in outside towns, to judge from entrance requests already made. Glen is hopeful, however, that more local bowlers will register before the deadline to keep it interesting for them.

## Beavers Open In Crescent City Sunday

The Brookings Beavers held spirited work-outs last Saturday and Sunday afternoon and again on Tuesday evening of this week. Additional practices are scheduled for Thursday evening and Saturday afternoon in preparation for the first game of the season against the Crescent City Merchants in Crescent City Sunday afternoon at 2 o'clock (daylight saving time.) Probable starting lineup will see Bob Astin on the mound with Lloyd Russell doing the catching. The infield will have Len Reynoldson on first, Cliff Girod on second, Boyd Western at short and Bud Lowe on third. The outfield will be composed of Jim Barrett, Lee Goodin, Ron Western. Bud McLean, Richie Price and Bob "Tiger" Smith of Southern Oregon college at Ashland are expected to be with the Beavers this summer but on account of college games on May 9th and 16th will not be available for Beaver play until after those dates. The Brookings team travels to Grants Pass for a pre-season game on the 16th, with League play to start with a double-header against Grants Pass in Brookings Sunday, May 30th.

The backstop was erected at the new diamond last Sunday. The crew doing the work was composed of Floyd Swearingen, Mac Malcolm, Homer Haggerty, Frank Chapin, Tony Christensen and Pete Lesmeister. The stands will be moved from the old high school diamond on Sunday, May 16th, and a large crew is needed.

## LEONARD BEGINS NEW BUILDING

Construction was beginning this week on a new business building on Chetco Avenue just South of Yelton's.

The new building, owned by C. O. Leonard, will be built on the site of Leonard's present office.

Excavation was scheduled to get underway this week for the building, which will have a full basement and one floor at street level.
