## TEENAGER LOSES DAMAGE SUIT

A jury last Wednesday found for defendant Mrs. Dorothy Kemp in a \$5,003 damage suit brought by Sharon Puckett of Brookings. The jury deliberated two hours before rendering its verdict.

Miss Puckett had charged Mrs. Kemp with assault and battery in forcibly ejecting her from the Pine Cone Theater, which the Kemps operate. The defense had replied that Sharon had created a disturbance in the Theater and had been peaceably escorted from the Theater by Mrs. Kemp.

## THE TEST TELLS

A test of the soil in any one of your fields will tell whether or not it needs liming—and, if so, how much to put on.

We would like to supply you with all the limestone you need because we know it will make you money. But we don't want you to waste money by applying it where it isn't needed.

So, don't guess — test. See your county farm agent or ASC office about how to take the samples and get them tested.
