

HARBOR NEWS

Vic Reynolds will have to look to his laurels as a barbecue chef after the barbecue held by Danny Haight for his logging crew up the Klamath River Sunday, with Herb Payne as chief barbecuer. The families of the workers were visitors for the affair, which is reported to have been most enjoyable. Anyway, those of us that weren't able to sample the barbecued meat that Herb turned out, will have a chance to taste what Vic can do at the coming Azale Festival barbecue.

Kenneth Fielder left last Wednesday for Eureka, and from there to San Francisco to finish taking

**KEEP OREGON'S

Pd. Ad. Patterson for Governor Com., Ted R. Gamble, Chairman, 815 S.W. 6th Ave., Portland, Ore.

the necessary tests as he has enlisted in the Navy.

Mr. and Mrs. Leonard Banick left Friday on a two months trip which will take them first of all to Portland, then on to the Great Lakes Training Center where their son, Clifford, has been attending school for the past few months. They will attend Clifford's graduation exercises, then the three of them will make a trip in the Eastern part of the country as it is expected that Clifford will have a thirty day leave before reporting to a new assignment.

Mr. and Mrs. Lawrence Boardman and two children spent the weekend in Medford where they visited at the home of Mr. Boardman's sister, Mrs. Della Parker.

Raymond Reekman arrived from San Francisco Saturday to spend a two weeks leave at his home. His carrier, the Yorktown is stationed in San Francisco Bay for the present. He will receive his discharge from the Navy by August, and plans to attend OTI next fall.

Mr. and Mrs. Henry Mosier and their two children, George Mosier and Mrs. Janice Felio were called to Sulton, Washington recently by the death of Mr. Mosier's father, James M. Mosier, who passed away April 17th. They remained there for several days visiting before returning home.

Mr. and Mrs. Ferdinand Steinmetz are the parents of a seven pound, ten ounce son born at the Seaside Hospital on May 5th. They have named the young man Gregory Lee. He is their fourth son and fifth child.

This happened two months ago, but to those who haven't heard it, it will be of interest. Mrs. S. N. Fischer went to Sunnyvale, California to attend the wedding of her son, Clarke Kemske to Miss Jackie Mohre of that city, on March 5th. Clarke is well known here, as he attended the local schools for a few years before going to Japan and making his home with his uncle and aunt for four years. The newlyweds

FISHERMEN FIND COMPETITION ON OPENING DAY

With the trout season opening on May 1st throughout Oregon every bend of the states rivers seemed to sprout fishermen or fisherwomen, but not many anglers had the competition that Doc Dotson, faced on opening day. Doc and his son Russell Dotson, a partner in the McKay Lumber Company, the former Gadsbury and Campbell mill, decided to

are making their home near Oak Harbor, Washington where Clarke is stationed with the Navy.

Ray Struebing returned home Saturday after a ten days trip. He and Mrs. Struebing went first to Los Angeles, where they attended the twenty-fifth wedding anniversary of Ray's brother and sister-in-law, Elmer and Mina Struebing. They then came back to San Francisco, where Mrs. Struebing entered the hospital for a major operation last week. She is recuperating nicely but must remain there until the end of this week before coming home.

open the season on the Upper Chetco so went to the Tolman place. They went up the river, and Doc was out in the middle of a riffle above the mouth of Mislatnah Creek, when he saw a big black bear come out of the brush and wade out in the riffle to within about fifty feet of him, also intent on fishing. But when the bear saw Doc, he hit the water about twice getting back into the brush. If the bear hadn't run first, it would have probably been a draw as to which was the most scared. Results of the fishing trip for Doc and Russell—three nice trout—and two tired men after walking from the river to the head on Long Ridge.

**We've Come
A Long Way**

...BUT—WE'RE NOT STOPPING YET

At the end of World War II, your telephone company faced tremendous problems caused by shortages of materials, increased demands for service and rising costs. As we pledged to you, we have met these problems with every resource at our command. For example, since January 1, 1946, we have spent over 21 MILLION DOLLARS to improve facilities and to make more telephones available for more people. Here is a brief report on what we have accomplished.

	12/31/45	12/31/52	12/31/53
Telephones in Use	46,729	101,429	110,832
Plant in Service	\$7,838,108	\$21,530,847	\$24,725,122
Number of Employees	635	1,546	1,620
Annual Payroll	\$1,058,949	\$4,734,399	\$5,203,543

We sincerely believe we have come a long way, but we know our task is by no means finished. This year, 1954, we have budgeted an additional \$3,300,000 for more construction. We will continue to improve and expand our facilities as rapidly as our earnings and available capital permit. As we have pledged to you, we will continue our expansion program. We shall continue to provide all our subscribers with telephone service as fine as that available anywhere in the nation.
