

**350 MILE TRIP
FOR 14 VOTERS**

Sheriff Sabin and his deputy, Wes Smith, figure that they drove 350 miles last Thursday and Friday so that 14 voters could cast their ballots in the Mariel precinct up the Rogue River. They left Gold Beach Thursday morning, went up the Sixes River to the Coos Bay Lumber Co. road, and on it to Powers, then on the Agness road to the Junction with Eden Valley road. They followed the Eden Valley road up to the top of the mountain, then it was just fourteen miles down the canyon to Mariel where they arrived Thursday afternoon. They left there at eight the next evening, making the return trip by way of Grants Pass, arriving at Wes' house about 2:30 Saturday morning. They then picked up the returns from the Chetco, Brookings and Ferrello precincts and took them to Gold Beach. By the way, the fourteen voters in Mariel were divided, seven Republicans and seven Democrats.
