SQUARE DANCE JAMBOREE

State wide square dance jamboree plans for the Curry County Fair, August 28, are taking shape in no uncertain terms.

Callers from all over the State are being contacted and invited to call a square.—Paging—all square dance callers in Curry County—step up now and enter your name as a caller at the County Extension office in Gold Beach.

So to all of you—do-si-do enthusiast, now is the time to get out the dancing shoes, fiesta dresses with petticoats and the man in their gala attire and get in a little practicing.

Help Wanted! in form of cakes for the Free barbecue—that the Curry County Livestock Committee is serving Saturday, August 28th, during the Curry County Fair. The Committee on serving tells us they will need at least 110 cakes.

The Fair Board will rent a locker to store these cakes, now.

We think we have found a way, we hope, to relieve the last minute rush of baking at Fair time—by freezing them. Any type of cake sponge, Angel Food, Devils Food, spice or what have you. Just do two things—Frost is with buttered frosting and freeze cake and frosting before wrapping.

Then bring the cake to the County Extension office at Gold Beach and we'll keep count and take the cakes to the locker.

From where I sit... by Joe Marsh

"High-Priced" Mistake

Maybe you noticed the big "ad" Red Smith's Furniture Store ran in *The Clarion* last week.

One item caused some embarrassment around here. It read: "4-piece Bedroom Suite, regular price \$119.50, bargain price \$149.50." Guess I didn't "proof-read" too well, and when our pressman asked for the go-ahead, I yelled, "Let 'er go."

All kinds of jokes about the mistake. One fellow asked if Smith's was holding the price line so tight it just snapped. Turned out fine in the end—Red

sold that suite for the real sale price, of course.

From where I sit, it's lucky my carelessness didn't cost Red any business. I'm the one who's always "experting" on being careful—careful of our responsibilities, careful of our neighbors' rights. Even careful to respect the other fellow's preference for a glass of beer. Let's all make a bargain to be more careful in the future.
