

SHIRLEY BOWLIN GETS CERTIFICATE

Shirley Bowlin, of Brookings, has been approved for a dental hygienist certificate at the University of Oregon Dental school in Portland, Dean Harold J. Noyes announced this week.

Miss Bowlin was one of 11 young women completing the two-year course this month. Graduation rites will be staged Thursday, June 17.

She is the daughter of Mrs. L.

W. Bowlin of Harbor, and graduated from Brookings High School in 1952.

NEWTONS HAVE GUESTS

Mr. and Mrs. Tom Newton of Tule Lake are weekend visitors at the home of Mr. and Mrs. Almo Newton, in Harbor. The Tom Newtons are former residents here.

Our deeds determine us, as much as we determine our deeds.

Scout Building News Report

By MIKE PAGE

Here are the active members of the Scout Building Committee. Blain Gribble, Construction Foreman; Carl Berger, Rod and Gun Club; Ben Jones, Odd Fellows Lodge; Arthur Bollinger, Odd Fellows Lodge; Wendal Bartholomew, Lions Club; Joe Kanick, Lions Club; Rod Herman, Lions Club; Russel Jenkins.

The above committee, and others have in the past year done a lot toward building this scout building. The foundation is all in, ready for construction. The present site was acquired by them, by trading a lot the scouts owned on Wharf street for this larger lot. Because of them, we have a wonderful site. The plans have been approved, the building permits secured, and everything is ready.

To finish the building, we must have more committeemen from the different organizations. If you want a general meeting on the deal, let me know, but in the past we haven't had too much success getting together.

Blain Gribble will be on the project all day, Saturday, June 19, and can use anyone who can work. We must get a roof on this building this summer.

The A. F. of L. Carpenter's Union have all volunteered to work on the building Saturday, June 26th. Anyone else who can help please come.

If you want to go to work on the project, go to Freeman's Market, and register the amount of time you can give.

Loggers, we still need logs to trade for materials at Brookings Plywood. Cash donations are also cheerfully accepted, payable to Scout Building Committee, Mike Page, Chairman.

If you want to work right now, see Blain Gribble, Ben Jones or Mike Page. There are several odd jobs to be done. Watch for further news.

Mike Page, Chm.

What a desolate place would be a world without flowers? It would be a face without a smile; a feast without a welcome.—Mrs. Clara Lucas Balfour.

PAUL SEZ

While delivering a new INTERNATIONAL PICKUP to Turley Bulb Gardens, I was asked to take a look at their new bulb processing plant. When completed it will be approximately 22 x 60 feet. Bulbs will come from field to one end of the building, be processed through plant and be shipped from either end.

After bulb harvest, building will be used to house their automobile INTERNATIONAL PICKUP, FARMALL TRACTOR and other machinery with a separate overhead door for each piece of equipment.

Looks like darned good planning to me. The Turleys are good customers at DAVIS TRUCK & TRACTOR, and knowing them as we do are not surprised at them coming up with a plan like that.
